Drilling Might End On Wildcat Well

Drilling was halted at the site of Randall County's first wildcat gas well in five years Monday and reports were pessimistic at mid-week that operations would resume.

Jay Hunt, a spokesman for Pan Eastern Exploration Co. of Oklahoma City, said he expects the well to be plugged.

The closing of the Oklahoma firm's well marks another dead-end for oil and gas exploration in a county which has never seen a producing

well.

Hunt reported Monday the drilling was halted at a depth of 8141 feet, just 800 shy of an anticipated 8200-foot depth.

"This might be the bottom and it might not," Hunt reported.

However, he told The News Wednesday morning it appears the drilling operations are finished at the well on the Dr. George Powers property several miles east of Camp Don Harrington.

"It doesn't look too good," he said. "As near

as I can tell we'll probably plug it."

The company began circulating Monday afternoon and night and took logs through Wednesday morning to help the company laboratories determine whether further drilling would be fruitful.

Hunt said the firm would take one more log on Wednesday, but he was pessimistic of the outcome.

(Dr. Frank Daugherty, geology professor at West Texas State University, said the term

"circulating" means the firm is pumping mud or fluid through the drill stem to remove rock chips and other sediment from the hole to determine the different formations it has passed through. The term "log" refers to various testing techniques the company might use to make the same determination. Both techniques are used to allow geologists to determine the likelihood of gas bearing formations.)

Drilling on the Pan (See WELL, page 5)

Responses Given To City Resolution

Price Favors Revenue Sharing, Hightower Won't

This district's incumbent U.S. Congressman might or might not support a continuation of federal revenue sharing while his opponent in the November general election flatly says he will not.

Rep. Bob Price of Pampa and his Democratic opponent State Sen. Jack Hightower responded to a News query Tuesday spurred by a resolution passed Monday night by Canyon city commissioners seeking their feelings on continuation of the federal program which is expected to bring about \$1 million into Randall County and Canyon.

Commissioners passed the resolution calling for Price, Hightower and Sens. John Tower and Lloyd Bentsen to make known their stands on a continuation of the federal program, which will expire Jan. 1, 1977.

Voicing full support for the program, which began for a five-year period in 1972, commissioners indicated they want a written statement from Price and Hightower on their attitude toward revenue sharing.

Price tentatively endorsed "the general concept of revenue sharing," but added a limitation

upon his support.

"I remain convinced that taxpayer funds can be used most efficiently, with a minimum of administrative and bureaucratic cost, when funds are returned directly to local governments without strings so that the officials closest to the people can use the funds in a manner which will provide the greatest benefit to the people in each local community," Price said in a written statement to The News from his Washington office.

The congressman admitted that he voted against passage of the original revenue sharing bill in 1972, but said his opposition was not directed at the general concept of revenue sharing as proposed by then-President Nixon.

"When the revenue sharing bill passed the previous Congress, I voted against the bill, not because I differed with the philosophy of revenue sharing, but because I felt the distribution formula contained in the bill discriminated against Texans," he states. "The formula is based not only upon population but also upon state and local governmental efforts to raise taxes.

"In Texas, we have managed

to avoid the need for a state income tax. Yet, under the formula, Texans are discriminated against because the state has no state income tax. I opposed that unfair formula.

"The current revenue sharing law expires in December of 1976. In the next Congress, I will work to retain the concept of revenue sharing and to obtain a more equitable formula for the distribution of funds."

Hightower, a veteran state senator who's taking Price on in

the general election, responded personally from his Wichita Falls office on the issue and stated his opposition to a continuation of the program.

"At this time it is a question of whether we should have it because the federal government doesn't have any revenue to share," Hightower said. "I'd have to find out where the money is going to come from. I would not be in favor of it just to increase the national debt."

Millions of dollars have poured

into Texas and the 13th Congressional District through the revenue sharing program, which is a form of direct grant to local and state governments with representatives of those governments allocating the funds as needed.

Figures produced by the Price Washington office indicate governments in the 13th Congressional District have received \$22,401,260 in federal revenue sharing funds since the program's inception.

The state government received \$249,134,827 and all state and local governments in Texas have received \$745,440,260.

Local governments in Randall County have received \$533,599, just over half what they anticipate from the program.

The city's resolution Monday night was part of a state-wide effort by the Texas Municipal League to voice concern that the sharing program be continued.

It was passed unanimously by city commissioners.

City Saves For City Hall Project

County Spends Funds Widely

While the City of Canyon has spent nearly half of its \$250,000 in revenue sharing funds exclusively for construction of a new city hall, Randall County has spent all it has received from the federal government for salaries, equipment and a variety of other things.

The News asked each government for an accounting of how it's spent the federal windfall which City Commissioners have called for Congress to continue after its expiration in 1977.

City Manager George Louder said the city has now received \$257,308 from the federal government.

He said the city has spent \$129,236 so far including \$15,000 for property adjacent to the current community center for future expansion. The remainder of the expended funds have gone for architect's fees, legal fees, lab fees and other fees related to the construction of the new city hall complex in Canyon.

Federal revenue sharing funds, he said, will be further used to defray expenses of the construction project. Figures prepared by County Auditor Betty Hodges indicate the county has received \$258,379 since the inception of the revenue sharing program. That figure includes interest earned through time deposits.

The expenditure list for the county's funds stretches across three legal size pages and includes a wide

variety of expenditures. Mrs. Hodges reported before the receipt of an October revenue sharing check that the revenue sharing fund was about \$1000 in the hole, having borrowed \$30,000 from the general fund to pay for

acquisition of 7.2 acres of land in South Amarillo for construction of a new courthouse annex. The October payment eliminated that debt and put about \$24,000 in the fund.

A general sampling of the expenditures the

county has made from revenue sharing funds follows: Sheriff Department salaries and juvenile probation officer salaries, \$12,432, and later for \$13,168, and even later for \$13,153.

Adult probation expenses, \$2320, and later for \$2884.

Umbarger Fire Department, \$500.

Happy Fire Department, \$100.

Urban Transportation Study, \$3100.

Bi-City-County Health Unit, \$5405.

County Health Officer, \$78.

Killgore Psychiatric Center, \$1875.

Kids, Inc., \$1100.

Librarian salary, \$375.

Veterans Service Officer salary, \$189.

Tax assessor and treasurer salaries, \$3314.

Microfilm reader, \$215.

Two radar units, \$3800.

Strobe light, \$186.

Dump truck, \$12,746.

(See COUNTY, page 5)

Price Committee Reports \$116,000 In Contributions For Campaign

While full financial expenditure statements are not yet in, preliminary figures indicate incumbent Congressman Bob Price has spent \$117,677 so far on his bid to be re-elected from this district.

A statement filed in the Secretary of State's office for the Bob Price For Congress Committee No. 2, indicates contributions and loans have totalled \$116,628 in the congressman's campaign against challenger Jack Hightower of Vernon.

The contribution statement reports a reception to make money held on August 14 which brought in \$11,303; a barbecue on Sept. 29 which brought in \$3128, and loans totalling \$68,000. Contributions from other political committees have totalled \$24,678.

The Price committee lists expenditures of \$29,336 for media expenses and \$51,000 for payments on loans.

Contributions are noted from 16 political committees, with the largest coming from the Ford Price Luncheon Committee of Wichita Falls for \$12,448. The National Republican Congressional Committee contributed \$4000.

Other political committees making contributions include TEXPAC, the Texas Medical Association political arm for \$4000; and from other committees representing the life insurance industry, the cattle industry, the canning industry, the cotton merchants, the tobacco growers, Amarillo Republican Women and the National Right-To-Work

Committee.

Individual contributions for Price total 58 through the committee. Largest single individual contribution is from Margaret Bowlle of Wichita Falls, a housewife, who gave \$2000. James Garvey, a Fort Worth grain dealer, contributed \$1914.

At the August fund-raiser, Price received 154 contributions of which 56 were from outside the district. The largest con-

tributions came from Kenneth Ford, mayor of Perryton, for \$500 and Louis Stumberg of San Antonio for \$250. Stumberg is a businessman and member of the Texas Parks and Wildlife Commission.

At the September barbecue, which featured Calif. Gov. Ronald Reagan, Price received contributions from 69 persons. Largest contribution was for \$500 from W. L. Lindeman, a

drilling contractor of Wichita Falls. Ed Weber, public relations man for Southwestern Public Service Co. in Amarillo, contributed \$200.

One loan for \$30,000 is through the Perryton First National Bank. Another is from Quitaque First National Bank for \$30,000. Two loans totalling \$8000 are from Pampa rancher J. W. Campbell.

(See SPENDER, page 5)

Griffin Is Again Leading County Race Spender List

Dee Griffin Sr., an Amarillo insurance agent, remains the big spender in his campaign to seek the seat of county commissioner to be vacated by the retirement of Bill Butler, who will not seek reelection.

Griffin was big spender through the primary campaign also.

His opponent, Bill C. Moore of Amarillo, is apparently the low spender of any candidate in the county for public office.

Griffin's expenditure statement filed with the county clerk Monday indicates he has received contributions and loans totalling \$92 since the primary period. That includes a \$42 contribution from the Dee Griffin Agency and \$50 from the Ama-

rillo Republican Women's Club. He lists expenses of \$28.46 for printing.

During the primary campaign, Griffin received \$1250 in contributions and loans and has spent \$1169.

Moore lists contributions and loans of \$44.75, with the full amount a loan to himself. His expenditures total \$44.75 for printing. Moore did not campaign through the primary and was not required by law to file a statement until the Monday date.

In another county commissioners race, challenger Otha Barbee is outspending the incumbent commissioner John Fulgenzi.

Barbee filed a statement indicating he has received no con-

tributions or loans. Yet, he lists expenditures of about \$500 for advertising and printing.

Fulgenzi lists contributions and loans totalling \$343. That amount includes contributions of \$50 from the Amarillo Republican Women's Club, \$100 from T. J. Lofley of Dripping Springs, Tex., \$100 loan to himself, \$25 from Bill Harlow and \$68 loan to himself.

Fulgenzi lists expenditures of \$183, including costs for printing and photographs.

In the county clerk's race, Incumbent LeRoy Hutton and Challenger Charles Hogan are running neck and neck on the expenditure side.

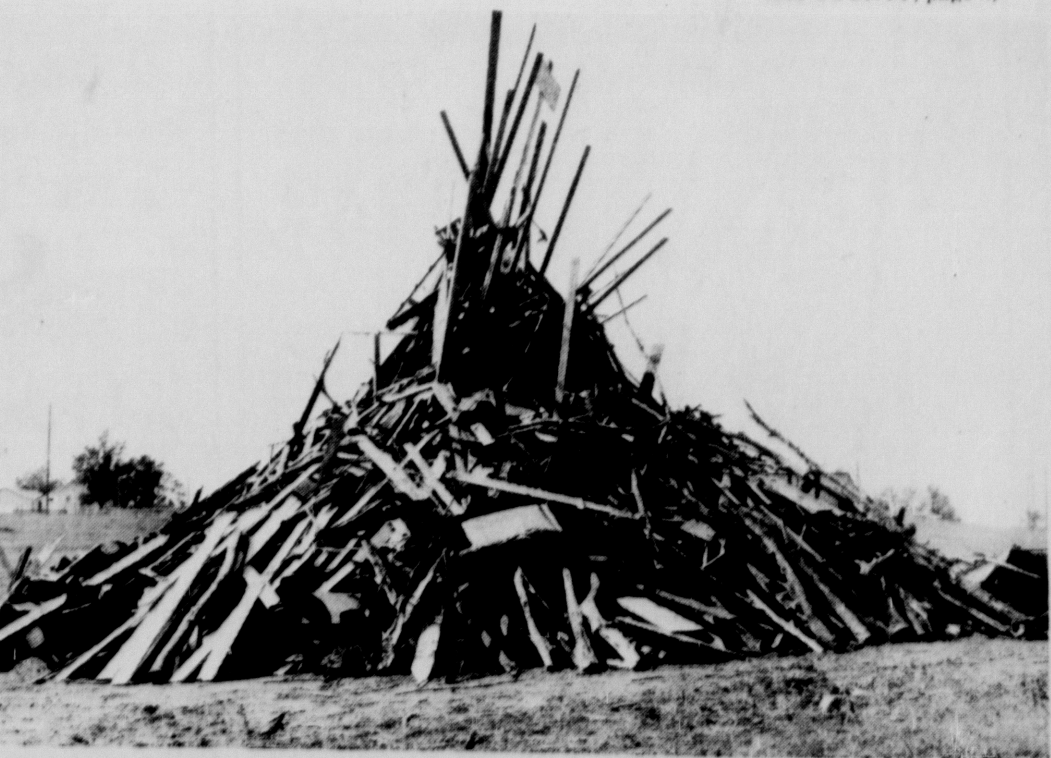

Hutton lists contributions as a

Too many of us think of the strictly honest man as, at best, naive.

This pile of wood donated by area residents awaits the beginning of the Canyon High School homecoming bonfire which will be held tonight at 7:30 p.m. behind the high

school on Eleventh Street. This will be just one of the activities highlighting homecoming week. See story on page 9.

Contract Discussed Behind Closed Doors

City and county representatives met in an unpublished closed meeting last Friday to negotiate the current contract for the exchange of joint services.

City Manager George Louder said he does not expect any more negotiation sessions between the two bodies over the contract.

"There's nothing definite," Louder said, however.

Meeting were County Commissioners John Fulgenzi and Paul Lindsey and Mayor Manly Bryan and City Commissioner Jim Christopher.

Louder would not reveal any of the discussion which took place between the two groups of officials.

Last year, a News reporter was allowed to attend the meeting but was asked not to take notes. The mayor issued a statement after that meeting.

The Friday session was the first, and apparently only meeting, since the city and county came up with a contractual arrangement a year ago.

The contract covers such services as fire service to rural areas, library service and solid waste provided the city and jail space and dispatcher service provided by the county.

The contract the two entities are now working under is a cooperative agreement worked out through negotiation a year ago after Louder produced a lengthy confidential report alleging the city was getting the worse in an exchange of services with the county.

The negotiations apparently ended, however, a four-year has-

sle between the city and county over the provision of joint services. The hassle centered on the fact that Canyon was providing fire service in rural areas of the county and a solid waste disposal facility for rural residents while the county was providing

only jail facilities and communications facilities.

Louder said the Friday session was more a "courtesy" meeting than anything else.

Under the current contract, which bears no expiration date, the city agrees to provide solid waste service to rural residents, and fire protection for rural homes and buildings. The county agrees to provide dispatcher service for the police department, jail facilities for city prisoners. In addition, the county pays the city \$1500 per month for the difference between the services.

The county also has a contract with the City of Amarillo, a contract recently renegotiated and signed Monday by county commissioners. The contract calls for the city to provide rural fire protection north of Hollywood Road in the county outside the city limits. The county is to pay \$801 per fire call to the city. Under a contract which is up later this year, the county had paid \$845 per fire call to the city.

The Randall County-Amarillo contract has been a sore point for commissioners since its inception a year ago, and they have worked with city officials to get the per fire rate lowered to no avail.

Test Date Set

Mr. E. B. Posey, Director of Teacher Certification at West Texas State University, has announced the testing dates for United States history examination.

The tests are scheduled for teachers who wish to become certified to teach Texas and national history in public schools. West Texas State is designated National Teacher's Examination Center. Dates set for the test on the Canyon campus are November 9, January 25, 1975, April 5, and July 19. Final dates to register for those tests are October 17, January 2, 1975, March 13 and June 26.

Those interested in further information regarding the testing program can receive a "NTE Bulletin of Information" from the Testing and Counseling Center, West Texas State University, Canyon, Texas, 79016.

The SPRY Club will be meeting this afternoon, Thursday, at 2 p.m. in Fellowship Hall of the First United Methodist Church for all senior citizens interested in the Fellowship and visiting.

Mrs. David Hunt is presented with a half of beef which she won in a raffle sponsored by the Canyon Evening Lions Club. Money made by the club from the project will go to the cripple children's camp at Kerrville. Edgar Cranmer, president of the evening club, made the presentation.

Team Effort Needed to Control Rising Crime

An extensive team effort by citizens and law enforcement officers is needed to control this country's rapidly rising crime rate, Police Chief Al Stewart believes.

Operation Identification, the kickoff of the Canyon Police Department's crime prevention program, is the first community-wide crime control project designed to reduce the burglary rate in Canyon.

The following is how you can participate:

Operation I.D. has basically two parts. First, mark all your easily stolen valuables so they can be identified. Second, display a warning sticker which tells burglars that your property is protected with your mark.

Marking property accomplishes several things. Items marked in Operation I.D. are harder for the burglar to see or "fence," and an Operation I.D. sticker on a front and back window or door deters burglars because your property can be easily and positively identified. Also the identification mark makes the owner's chances of retrieving stolen property much higher in addition to simplifying the apprehension of criminals.

The Canyon Police Department has purchased engraving pens which can be checked out at no cost to you.

When home owners and businessmen obtain an etching pen, the department encourages them to talk to their friends and neighbors about marking their property while the pen is handy.

The actual marking process is simple. Use your driver's license number to mark your property in the following manner: Engrave TX for state identification, so that if the property is taken out of the state, the number can be easily traced; then write your license number. (Example: TX5551212).

Small and fragile items such as jewelry, silver and china can be protected if you will take a photograph of them and keep the photos in a safe, fire-proof place.

You will be issued a self-adhesive decal to put outside your home or office to warn burglars that the property is protected by Operation I.D. Displaying the decal will deter burglars since they know that having marked items in their possession is dangerous.

Operation Identification also has a cumulative effect. The more people in your neighborhood participating, the less attractive the area is for burglars. They know that aware citizens are going to be suspicious of unusual people and activities in the area.

Resolution For Revenue Sharing Passed By City Commissioners

City commissioners passed an anticipated the resolution Monday night calling for a continuation of federal revenue sharing funds and asking Congressman Bob Price, congressional candidate Jack Hightower and Sens. Lloyd Bentsen and John Tower to state their feelings about the program.

Commissioner J. Pat Stephens moved the resolution be adopted, and it was unanimously.

Mayor Manly Bryan explained to visiting students that the federal government will send revenue sharing funds to local counties and municipalities for about two more years under the current five-year appropriation.

The next Congress, which convenes in January, must make a decision on whether to extend the revenue sharing program, which should bring about \$1 million into Randall County and the city.

Noting the city money has been used to help finance construction of a new city hall complex, Bryan said he believes cities and counties can better handle the tax monies for local projects than can the federal bureaucracy.

"I'm definitely in favor of it," he said. "It gets some of the money we all send to Washington back here."

The resolution expresses the same support for continuation of the program. And, it also calls on Price and Hightower to issue written statements of their feelings concerning continuation of the funding. Tower and Bentsen are asked to relate their feelings, also.

Commissioners also voted to join the Texas Utilities Advisory Committee, a sub-organization of the Texas Municipal League. City Manager George Louder explained that the TUAC is a relatively new committee devoted to aiding groups of cities in their dealings with public utility companies. The committee, he indicated, was patterned to an extent off the West Texas Utilities Committee, an ad hoc group of representatives from cities on Pioneer Natural Gas Co.'s West Texas system.

Louder said the TUAC was actively involved in gathering information for cities which presented a case before the Texas Railroad Commission recently challenging a request by Lone Star Gas Co. for an adjustment in pass through rates.

"Several things are going to evolve in the next few years," Louder said cryptically, "and this will be the thing to handle it."

Cost to the city for membership is \$197 per year.

Fire Chief Jack Jennings presented a report to commissioners on the September fire school sponsored by the Canyon Volunteer Fire Department.

Jennings said 391 firemen from 47 towns participated and the school was almost self-supporting. He indicated the school will become an annual affair and that the city may be asked next spring to budget funds to conduct the school.

An ordinance setting speed limits along the construction area near U.S. 60 and its intersection with 15th Street at 35 miles per hour was also passed by commissioners.

Commissioners set a public hearing for their Nov. 4 meeting on a change in zoning for a tract of land in Hunsley Hills. The tract, now zoned commercial, lies between the VFW Road and the Lexington Motor Inn, and South-Drive and U.S. 60. Developer A.W. Lair has requested the zoning be changed to single family.

Commissioners tabled a request from Lair for a replat of the same area, indicating they have several questions which must be answered before final approval can be given.

An agreement with the Texas Highway Department was signed by commissioners turning the signal control lights near Rex Reeves School over to the state for maintenance.

The board passed an ordinance okaying the issuance of \$25,000 in certificates of obligation to pay for construction work accomplished during September on the new city hall complex.

And, commissioners appointed Larry Wall, Delbert Davis and George Ritter as new members to the Canyon Housing Authority. They will serve with incumbents Larry Hooper and Jack Jones.

Hearing Aids Are Needed

Used hearing aids are being collected by the Alpha Delta Pi social sorority at West Texas State University as a current philanthropic project which will benefit the Amarillo Speech and Hearing Center.

Sue Thompson, service chairman of the sorority, will be available to pick up any used hearing aids made available to the sorority through area persons. Miss Thompson may be reached at 655-7297 or by writing her at 2308 6th Avenue, Canyon.

Canyon Residents Are Concerned About Fire Safety

Canyon residents are concerned about fire prevention according to Jerry Lehnick, Canyon fire marshal.

During 1974, there have been eight residential fires in the city which have had no damage reported. Seven fires in the city have done \$8100 worth of damage to residential areas.

In the county during the same period of time, \$42,000 worth of damage was done to county residences. This is 29 percent of the loss in fires in Randall County.

Gardeners Take Tour Of Foliage

Canyon Garden Club members met at the E. T. Cummings cabin in Eagles Nest, New Mexico last Saturday evening, October 5, where members answered roll call with "what I enjoyed most on this trip."

The group went to Eagles Nest Friday and returned Monday. During their stay they took a

foliage tour into Taos and report that the "color of the leaves was beautiful."

Attending were the hosts, Mr. and Mrs. E. T. Cummings, and other members including Mr. and Mrs. Keith Poole, Mr. and Mrs. Ray Wells, Mr. and Mrs. Joe Frank, Mr. and Mrs. T. E. Beard and Mrs. A. K. Goodman.

Roy Luna, member of the Canyon High School Distributive Education Club presents Mrs. Opal Freeman, a teacher in CHS, with a flower on her birthday. The DECA club gives each teacher a flower on her birthday to show their appreciation for the teachers dedication to the students and education.

Canyon Clearing House

that stuff next to hot water heaters, clogged filters on furnaces and air vents being cluttered were the greatest cause of fires.

He said that extension cords were also a danger. He said that many people have a misconception of UL rated cords. He stated that all UL rated cords were not tested with the same power being conducted through them. He said that the manufacturer would ask UL to rate the cord using only a certain power force. The cord would be rated to use that force but the consumer, when seeing the UL approval, would think that it is to be used for any purpose.

Lehnick stated that the fire department is emphasizing the need for people to have their businesses or homes inspected for fire hazards. Homes will be inspected for persons calling the fire department and asking for an inspection. He stated that he would even go outside the city limits to inspect homes if invited.

Lehnick said that only an average of 10 homes were inspected each year. He said that many of these were day care centers. Lehnick stated that most people wait until the fire occurs and then ask what was wrong.

An inspection will not prevent all fires according to Lehnick. He said that it would do away with high risk situations.

Arts-Crafts Festival Held At Church Here

An 'arts and crafts' festival was held Sunday evening at the First United Methodist Church of Canyon with church members displaying their favorite crafts and hobbies in Fellowship Hall of the church.

Rev. Bill Kent, pastor, led the group in prayer and conducted a songfest. Refreshments and planning for the occasion were handled by the Murray Bible Class and Men's Fellowship Class of the church. Those serving on the committee were Francis Holman, Evelyn Frieze, Bertha Collins, Mae Coffee, Jack Downing and Alma Perkins.

Crafts and hobbies displayed ranged from a gingerbread house prepared by the kindergarten students to heirloom quilts, crewel pictures, yarnwork, rock collections, photographs and a section of Christmas decorations. The project was participated in by a large number of church members.

Chamber Board Sets Ticket Fee

Canyon Chamber of Commerce directors set the price of banquet tickets at \$6 each during their Monday night session. Their annual banquet is set for February.

In other business, directors finalized plans for this Saturday's Canyon 500 bicycle race, scheduled around the Canyon courthouse square.

They also appointed Weldon Trice, chairman of the education committee, to present to Canyon High School Principal John Sommer a Merit Award Plaque listing those CHS graduates of 1974 who maintained a grade average of 94 or better. The presentation will be made during homecoming ceremonies on campus this week.

"PRIVATE LIVES," a sophisticated comedy by Noel Coward, will be presented at the Branding Iron Theatre at West Texas State University Saturday evening, Oct. 12, at 8 p.m. with Katherine Schmidt and Ron Williams in the lead roles. Admission will be \$2 for adults, \$1 for students and WT students will be admitted with ID cards.

'Private Lives' Onstage

"Private Lives" will be presented onstage in the Branding Iron Theatre at West Texas State University Saturday evening, Oct. 12, at 8 p.m.

The comedy play is known as one of Noel Coward's best comedy efforts and is famous for the actors creating the leading roles: Noel Coward, Gertrude Lawrence and Laurence Olivier in the premiere production and Tallulah Bankhead in the comedy's revival.

Cast in the production for Saturday evening are Kathy Schmidt as Sibyl Chase; Ron Williams as Elyot Chase; Jeryl Hoover as Victor Prynne; Neva Chowning as Amanda Prynne; and Cheryl Tatham as Louise.

Don Washburn is student director for "Private Lives" aiding Dr. William Moore of the WTSU Speech Department. Admission price will be \$2 for adults, \$1 for students, and WT students will be admitted upon presentation of ID cards. Advance reservations are advised.

Regional Meet For DKG Slated Here

Regional meeting for Delta Kappa Gamma Society will be held Saturday, October 12, at Canyon Junior High School with Adele Barnes and Reva McGuire serving as regional directors.

"Let There Be No Poverty of Purpose" will be theme for the regional meeting and title for the luncheon address to be given by Adele Barnes.

Activities for the day will begin at 8 a.m. with registration and coffee. Exhibits are to be on display.

The morning session will be held from 9:15 a.m. to noon with a number of programs to be presented by the various participating chapters.

Reva McGuire will preside as regional director at the chapter roll call. The morning programs will include: "SOS" — Delta Kappa Gamma by Pi chapter; "Sharing Purposes with Women in Other Lands" jointly presented by Zeta Epsilon and Zeta Zeta chapters; "Then-Now-Tomorrow" by Gamma Kappa chapter; and "Wake Up; Times Are Changing" by Eta Phi chapter. Hostess chapter for the meeting will be Zeta Delta chapter.

The keynote address by Adele Barnes will be presented at the luncheon between 12:15 and 2 p.m.

Funeral Services Held For Father Of Local Resident

Funeral services for John M. Burnett, 78, of Bonham, Texas, were held at Wise Funeral Chapel in Bonham Friday morning. Graveside services and burial were held in Pilgrim's Rest cemetery near Alba, Texas, Friday afternoon.

Officiating ministers were the Rev. Albert Clark and the Rev. Leon Martin.

Burnett, a retired farmer, died in a Bonham rest home Wednesday. He was a native of Fannin county.

Survivors include his wife, three sons, including Eric Burnett of Canyon, two daughters, three brothers, four sisters, five stepchildren, 11 grandchildren and nine great grandchildren.

He was a member of the Methodist church. Grandsons were active pallbearers.

Explorer Post Being Formed

An organizational meeting for an Explorer Post is being held Tuesday evening, October 15, at 7:30 p.m. in Fellowship Hall of the First United Methodist Church of Canyon.

Any scout who is interested is urged to attend the organizational meeting. The Explorer Post, sponsored by the church, is for all boys 14-20 years of age.

Ken and Ben McAdams, students from West Texas State University, will be the Post's advisors. Those interested in the Explorers may obtain application forms from the church office or the advisors at 655-3194. A registration fee of \$2.50 is payable upon registration.

The Explorer Post will meet bi-monthly to explore various vocational possibilities, work on various projects and participate in social and athletic activities.

Besides the local post's programs, they will have the opportunity to participate in activities sponsored by the District Council such as week end camping activities at Philmont Scout Ranch, a ski trip, road rallies and other events.

Saturday Sale By Secretary's

Tierra Blanca chapter of National Secretaries Association, International will sponsor a 'garage sale' all day Saturday at 1100 Hillcrest.

Opening at 8 a.m. the sale of miscellaneous items will be used by the Tierra Blanca chapter for a student scholarship for a student attending West Texas State University who is a member of the Future Secretary's Association there.

'Twelfth Night' - 'Hedda Gabler' Productions In Fine Arts Opening

Works by Ibsen, Shakespeare and Noel Coward are being offered this week as the fall season of fine arts begins at Branding Iron Theatre on the campus of West Texas State University.

The season opener was Wednesday evening as Shakespeare's comedy "Twelfth Night" opened onstage in the BIT. The "Twelfth Night" will be given again Friday evening, October 11, at 8 p.m.

"Hedda Gabler" will be presented tonight, October 10, and in a matinee performance Sunday, October 13, at 2 p.m.

One performance of the Noel Coward comedy "Private Lives" will be given Saturday, October 12, at 8 p.m.

Shakespeare's "Twelfth Night" is a comedy of love dating from about 1600. The humorous situations arising out of mistaken identities, lovers' intrigues and the antics of Sir Toby Belch, Sir Andrew Aguecheek and Feste combine to make this one of Shakespeare's great comedies. Cast in the leading roles are Pam Hurst as Viola, Jim Goodhue as Orsino, Randy Clements as Sebastian, Matt Ohmes as Antonio, Harrell "Pinkie" Floyd as Sir Toby Belch, Jim Caldwell as Sir Andrew Aguecheek, Kathy Schmidt as the Countess Olivia, Don Washburn as Malvolio, Ron Williams as Feste, Robin McKenzie Goodhue as Maria, Bob Scott as a sea captain, Kim Durden as Curio and Joe Anderson as Valentine.

"Hedda Gabler," written in 1890, is a realistic character drama. Its depth analysis of a woman's character remains as vivid for modern audiences as for those of Ibsen's day. Often regarded as a portrait of a

liberated woman, "Hedda Gabler" is also the vehicle by which Ibsen expressed his vision of underlying and more complex social issues. Robin McKenzie Goodhue, veteran actress of numerous BIT productions, is cast as the dynamic Hedda; Don Washburn is George Tesman, the part of Mrs. Elvsted is acted by

Pam Hurst, Lovborg by Matt Ohmes, Eilert Lovborg by Ron Williams, Juliana Tesman by Shelley Hamrick and Berta by

Cheryl Tatham. Neva Chowning assists Dr. Moore in directing "Hedda Gabler."

Margaret Echols Moore is acting coach for the entire fall repertory. The designer and technical director is James Kemmerling, and costuming is under the direction of Cheryl Tatham.

Admission prices will be \$2.00 for adults; students will be admitted upon presentation of WTSU ID card. Advance reservations are advised.

THE TWINS of "Twelfth Night" are portrayed by Pam Hurst and Randy Clements in the William Shakespeare comedy to be presented at the Branding Iron Theatre of West Texas State University evening performances, Oct. 9 and 11 at 8 p.m. Tickets are \$2 for adults, \$1 for students and WT students admitted with ID cards.

Cafeteria Menu

Thursday, Oct. 17 — Hamburgers with Lettuce, Tomatoes, Onions, and Pickles, Potato Chips, Cinnamon Rolls, Orange Juice, Milk.

Friday, Oct. 18 — Fried Fish with Tartar Sauce, Buttered Corn, Lettuce Wedge, Lemon Pudding, Rolls with Butter, Milk.

GENE HOWE AND REX REEVES ELEMENTARY

Monday, Oct. 14 — Fried Cod, Buttered Corn, Cabbage Slaw, Peach Halves, Bread with Butter, Milk.

Tuesday, Oct. 15 — Macaroni & Cheese, B. E. Peas, Beet Pickles, Peanut Butter Bars, Bread with Butter, Milk.

Wednesday, Oct. 16 — Chicken & Noodles, June Peas, Celery Sticks Sweet Rolls, Bread with Butter, Juice, Milk.

Thursday, Oct. 17 — Hamburger, Lettuce, Tomatoes, Relish Spread, Tri-Cuts, Banana Pudding, Milk.

Friday, Oct. 18 — Chip-o-Pie, Creamed Potatoes, Tossed Salad, Cake, Bread with Butter, Milk.

Guest Conductor To Serve Saturday

Rod Walker of Kansas State University will serve as guest clinician for the West Texas State University Honor Choir Clinic-Festival Saturday in the Fine Arts Building, Dr. Hugh Sanders, director of choral activities, has announced.

An annual event sponsored by the WTSU music department, the Honor Choir Clinic-Festival provides an opportunity for outstanding high school choirs to perform before a nationally recognized choral clinician and to benefit from expert criticism and advice.

Choirs participating in the event will be Sweetwater, performing at 9:30 a.m. under Frank McDonald's direction;

Borger performing at 10:45 under Steve Paxton's direction; Dumas, performing at 11:30 under James Reed's direction; Levelland, performing at 12:15 under Noble Cannada's direction; and Tascosa, performing at 1:45 under Frank Frisbie's direction.

Following the clinic sessions, the West Texas State University Chorale directed by Hugh Sanders will perform for the visiting groups. The WT Chorale's selections, including a Negro spiritual, a setting of 13th century plainsong, and two modern choral works, also carry forward one of the goals of honor-choir day, which is to encourage the performance of all periods of choral music.

Don Lacy buys a ticket to the Canyon High School Band spaghetti supper from Maurine Bonds. The spaghetti supper will be held Friday night from 5 p.m. until 7 p.m. All money collected from the sale of the dessert will go to the Kelly Forehand Fund.

Big Bike Races Set For Saturday

About \$300 in gift certificates go on the line Saturday in the third annual Canyon 500 bicycle races, scheduled to begin at 1:30 p.m. on the courthouse square.

The Canyon Chamber of Commerce joins with the Canyon Police Department to sponsor the races, a highlight of the fall for local youngsters.

Besides providing sponsorship for the races, local policemen will also enter a three-man team in the challenging 25-mile open bike racing event. If they win, according to Chief Al Stewart, their winnings will go into the Kelly Forehand fund to help defray expenses incurred through the hospital stay of the injured Canyon High football player.

Every age group will find a race to enjoy in the afternoon of two-wheel activity.

Preceding the races, during the past week, Canyon policemen have been speaking to various elementary school classes on bicycle safety. The Canyon Chamber of Commerce women's division also sponsored a bicycle safety poster contest in the schools.

Sign-ups for the races will continue right up to race time Saturday on the square. Entry blanks are available from the chamber of office, Western Auto, White Auto, and the university activities center.

This year's races are open only to Canyon residents and WTSU students.

More than 100 youngsters and oldsters participated in the races last year.

Races begin at 1:30 p.m. Saturday with a race for youngsters ages 8 to 10 years. Ribbons will be awarded for the first five places.

A seven-lap race will be staged following the initial contest for youngsters through age 14. Gift certificates donated by Canyon merchants will be awarded the winners.

Third race of the day will be a tricycle race for youngsters through age 7. Ribbons will be awarded the winners.

A high school relay for youngsters through age 17 will be run for 20 laps around the courthouse. Gift certificates will be given the winners.

While all events in the race day card are open to both girls and boys, there will be a special race for girls only through age 14.

The big race of the day will be the open relay for 100 laps — 25 miles — around the courthouse square. The racers will vie for more than \$100 worth of gift certificates. Winners for three places will be named. Last year a two-man team from Amarillo won the relay.

Chief Stewart said high-school age participants in the races need not worry about jeopardizing their student standing in University Interscholastic League competitions. He said those winning prizes in the bike races will still be eligible to compete in UIL competition.

EXHIBIT "A"
NOTICE TO BIDDERS OF COUNTY'S INTENTION TO LET CONTRACT FOR CONSTRUCTION OF A COUNTY OFFICE BUILDING AND OF THE INTENT OF THE COUNTY TO ISSUE CERTIFICATES OF OBLIGATION.

SEALED PROPOSALS addressed to Commissioners' Court of Randall County, Texas, will be received at the Commissioners' Courtroom, County Courthouse, Canyon, Texas, until 1:30 o'clock P.M. on the 4th day of November, 1974, for the purpose of furnishing all plant, labor, materials and equipment and the performing of all work required for the construction of a County office building at which time and place the proposals will be publicly opened, read aloud and referred to the County's Architect for consideration, checking and evaluation. Final award of the contract and issuance of certificates of obligation are proposed to be made at 1:30 P.M. on the 14th day of November, 1974, by the Commissioners' Court convened in regular session at its regular meeting place at the County Courthouse.

BIDS shall be submitted in sealed envelopes upon the blank form of proposal furnished. Sealed envelopes shall be marked "BID FOR RANDALL COUNTY OFFICE BUILDING."

PLANS AND SPECIFICATIONS and contract documents may be examined without charge at the office of the County Clerk, Randall County Courthouse, Canyon, Texas. Copies of such instruments may be obtained from VAUGHAN, Mc-MORRIES & ASSOCIATES, at 7811 Amarillo Blvd., West, Amarillo, Texas. Applications for plans and specifications, etc., must be accompanied by a deposit of \$200.00 for one set of plans and specifications. Any bidder, upon returning such plans and specifications in good condition, will be refunded his deposit. Any non-bidder, upon returning such plans and specifications in good condition will be refunded one-half of his deposit. Deposits will not be returned after ten days following the bid opening.

A cashier's check, certified check, or acceptable bidder's bond, payable to Randall County, Canyon, Texas, in the amount of five percent (5%) of the base bid as guarantee that each bid as a must accompany, if awarded the contract, the bidder will promptly enter into a contract with Randall County and execute such bonds as may be required. Checks will be returned to unsuccessful bidders.

THE SUCCESSFUL BIDDER on the project will be required to furnish a performance bond and payment bond, each in the full amount of the contract, written by a responsible surety company authorized to do business in the State of Texas, and satisfactory to the Commissioners' Court as required by Article 5160, V.A.T.C.S. Attention of bidders is also directed to the provisions of Article 5159a, V.A.T.C.S., requiring that not less than the general prevailing rates of per diem wages for work of similar character in the locality where the work is performed shall be paid all laborers, workmen and mechanics employed in the construction of public works.

BIDDERS are expected to inspect the site of the work and to inform themselves of all local conditions, and carefully examine the plans, specifications and other documents. Should a bidder find discrepancies in, or omissions from the plans, specifications or other documents, or should he question their meaning, he should at once notify the Architect in writing seven (7) days prior to submitting any bid, and obtain clarification. Work shall be completed on the Project on or before December 1, 1975. If the work has not been completed by this date, amortization payments as set forth in the specifications shall be paid by Contractor.

NO BIDDER may withdraw his bid for at least fifteen (15) days after the scheduled closing time for receipt of bids.

The date and time set for the awarding of the contract (November 14, 1974, 1:30 o'clock, P.M.) the County proposes to authorize the issuance of Certificates of Obligation (payable from taxation) in the maximum principal amount of \$600,000 in payment of all or a portion of the contract price and the contractual obligation it will incur. The successful bidder will be required to accept such certificates in payment of all or a portion of the contract price or assign such certificates to the party with whom the County has made provision for the contractor to sell and assign such certificates at their face value (no accrued interest), and each bidder shall be required to elect on the bid form whether he will accept or assign such certificates.

In case of ambiguity or lack of clarity in stating the contract price, the County reserves the right to consider the most advantageous construction thereof or to reject the bid and to waive formalities.

Woody Pond
County Judge,
Randall County, Texas
2tc28

STATE OF TEXAS
TO: DONALD WAYNE KAISER, Respondent,
GREETINGS:

YOU ARE HEREBY COMMANDED to appear and answer before the Honorable District Court, 181st Judicial District, Randall County, Texas, at the Courthouse of said county in Canyon, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of BILLY W. MCKINNEY and PEGGY J. MCKINNEY, petitioners, filed in said Court on the 4th day of October, 1974, against CLYDENE DAMON LANGLEY and DONALD WAYNE KAISER, Respondents, and said suit being number 13943-B on the docket of said Court, and entitled "In the interest of a child," the nature of which suit is a request to "terminate parent-child relationship and for adoption." Said child was born the 30th day of August, 1971, in Dallas, Dallas County, Texas.

The court has authority in this suit to enter any judgment or decree in the child's interest which will be binding upon you, including the termination of the parent-child relationship and the appointment of a conservator with authority to consent to the child's adoption.

Issued and given under my hand and seal of said Court at Canyon, Texas, this the 4th day of October, 1974.

LaQuitta Polvadore
Clerk of the District Court
of Randall County, Texas.

Scouts Set Meet
Canyon Eagle Scouts of all ages have been invited to an organizational meeting to be held Saturday to form a local chapter of the National Eagle Scout Association.

The meeting will be at Amarillo's First Christian Church with Gerald Strain, new executive for the Llano Estacado Council, as guest speaker.

ADVERTISEMENT FOR BIDS

The Commissioners Court of Randall County authorizes the advertisement for bids for the following:

Four — Electric typewriters, capable of making error-free typing by correcting its own errors because of quality standard; must have capabilities of typing in both pica and elite spacing — pica spacing for correspondence, elite spacing for forms work; capability of accepting legal-size paper sideways; must have 15 1/2" non-moving carriage because of space limitations.

Bids will be received at the office of the County Auditor until Monday, October 14, 1974, at 1:30 p.m. at which time they will be opened and read before the Commissioners Court. The Commissioners Court reserves the right to reject any or all bids.

Betty Hodges
County Auditor

Spender...

(Continued from Page 1)

Only one committee has reported its financial expenditures for the Jack Hightower campaign.

The Farmers and Stockmen for Hightower, which began in Canyon, reported contributions totalling \$10,573 and expenditures of \$7758.

A total of 334 contributions are listed, including one from J. Naman of Waco, state president of the Farmers Union. Largest contribution is from Canyon Attorney A. W. Lair for \$1000. Tulia Farmer R. T. O'Daniel contributed \$500.

State Rep. Bryan Poff of Canyon, seeking election as 47th District Court Judge in the November general election, remained the big spender in his race, campaign expenditure statements filed Monday with the Secretary of State indicate.

Expenditure statements had not been filed by press time for two state representative candidates, Robert Simpson, a Democrat seeking Poff's vacated seat, and incumbent Rep. Ben Bynum of Amarillo.

Poff faces Republican Connally Lockhart of Amarillo in the district judge race in November.

Expenditure statements for Poff indicate he has received contributions throughout his campaign since last winter of \$8473, with \$1519 contributed since the May 2 primary election when he beat three other Democratic contenders. Poff has also received \$99 in contributions other than money.

Expenditures for Poff total \$10,218.

Since the May primary, Poff has received contributions from 16 individuals with a \$450 contribution from George Whittenburg of Amarillo, a \$250 contribution from Tom Upchurch and a total of \$294 from eight Amarillo attorneys who listed their address as the legal firm of Gibson, Ochsner, Adkins, Harlan and Hankins.

Poff's financial statement filed before the May 2 primary listed contributions totalling \$6954 and expenditures at that time included a \$5000 loan from an Amarillo bank and contributions from 23 individuals.

Largest contribution came from Joe Batson of Amarillo for \$400. Poff's opponent, Lockhart, listed contributions of \$9309, contributions other than money of \$230 and expenditures of \$8064. Because Lockhart did not have an opponent in the May primary, he was not required by law to file an expenditure statement at that time.

Lockhart has received contributions from 21 individuals and \$50 from the Amarillo Republican Women's Club. He lists a loan of \$420 from his campaign manager, John R. Dowd; a loan of \$6000 from an Amarillo bank; three loans from himself totalling \$1450; and several contributions.

Largest contributor to the

For the second time in two months, Randall County commissioners issued Monday a notice to receive bids for construction of a \$600,000 courthouse annex in South Amarillo.

They also issued notice they will authorize the issuance of \$600,000 in certificates of obligation to finance the structure.

Bids will be received for the construction on Nov. 4 by commissioners and a contract will hopefully be awarded on Nov. 14.

Completion date, according to the notice issued Monday, is not later than Dec. 1, 1975 for the new annex.

Commissioners had tried during the summer to seek bids for construction of the annex, which will be located on a 7.2 acre tract

County Seeks Annex Bids Again

of land in South Amarillo.

But, the bids for the project came in near the \$650,000 mark, well above a promised \$300,000 the commissioners had said they would spend to build the annex.

As a result of the high bids, Architect Art Vaughan of Amarillo was instructed to return to the drawing board and pare the design to eliminate all frills which might be eliminated. Vaughan's original design, which included offices for the tax collector, a justice of the peace and the sheriff, was pared by statute when Dist. Atty. George Dowlen apprised the commissioners of a state law which prohibits construction of an annex to include more than a tax office branch.

Commissioners not long ago approved a design which would

include about 15,000 square feet. The annex would include tax office only and a basement. Although no office space would be provided per se in the design, there would be room in the annex building for future construction of sheriff's deputies' offices and an office for a justice of the peace.

Dowlen is to be preparing proposed legislation for introduction in January when the state legislature meets in Austin to change the state law requirements so the other offices may be located in the annex building.

Commissioners have said they will pay for \$300,000 of the project costs out of federal revenue sharing funds. About \$300,000 will be financed on a long-term basis.

In other business Monday, commissioners gave a critical eye to a proposed subdivision plat from Timbercreek Canyon Unit 6. The 100-acre tract includes about 100 housing sites.

Commissioner Paul Lindsey questioned the propriety of a design of several roads in the subdivision, roads the county would have to maintain if the plat is accepted and the roads are accepted.

The plat was tabled pending a drive through the proposed subdivision by Lindsey and County Road Supt. Joe West.

Commissioners approved the hiring of three men for the sheriff's office. Stanley Willis will replace Kenneth Hammonds as night dispatcher. Mike Coy, formerly a highway patrolman, will replace Don Nunnelly as a deputy in the South Amarillo office. And, Alan Lee Newman will be hired as a jail officer.

They also approved advertising for bids for a new car for the sheriff's office.

Commissioners balked at a request from Mrs. Audrey Bruse,

Stage Band Will Tour

The stage band of West Texas State University's music department will make several appearances in the area on its off-campus tour, it was announced by David Ritter, director.

The twenty-three WTSU musicians under Ritter's direction will carry the sound of jazz rock to Palo Duro, Hereford, and Olton high schools on October 9. A stage band clinic will be conducted by Ritter and members of his band for student musicians at Olton following that performance.

On October 10 the WTSU Stage Band will perform at Amarillo High School, Borger Middle School, and Panhandle High School, concluding the two-day area tour.

Performing such jazz rock numbers as "Into Your Mind," "Ironside," "Chunga's Revenge," "Nine Monks" and "Reflections" will be saxophonists Jamie Martin, Beverly Johnson, Chudde Jones, Richard Fairbanks and Vern Zimmerman. The trumpet section includes Ken Barker, Gordon Sturgis, Lonnie Clark, Van Sharp, Don Young and Doug Laramore. Trombonists are Tracy Collins, Jan Ramey, Steve Baker, Bailey Young, Tom Sleeper and Gary Mingus. Paula Williams and D'Lyne Hudson will be on drums. Flutist Brad Garner, Lorraine Baldwin on bass, Scout Sharp on vibes, and Mark Workman on guitar round out the jazz group.

Griffin...

(Continued from Page 1)

loan to himself of \$1000. He lists expenditures of \$582 for advertising, photographs, stamps, and printing.

Hogan lists contributions totalling \$500 with that funding coming from Gertrude Rice of Lathrip, Mich.

Expenditures for Hogan total \$552 for advertising and printing.

Expenditure statements filed by Robert McClendon of Amarillo and Marty Schantz, candidates for the county treasurer post, indicate Mrs. Schantz is the big spender of that campaign.

McClendon lists contributions, all loans to himself, to cover the cost of filing for office and filing the various financial statements. He indicates he has spent \$2 in the last six months in his campaign.

Mrs. Schantz lists contributions of \$150 loan to herself and \$75 from the Amarillo Republican Women's Club. She lists contributions other than money from Glen Soderstrom for postcards, Mrs. Marie Gaylor for signs, and Freeman's Flowers for "use of flower wagon."

Expenditures for Mrs. Schantz total \$356 for campaign cards, photographs and her filing fee.

Sale...

(Continued from Page 1)

"Happy Wheat Growers has made default on that debt, leaving the sum of \$793,020.60," according to the sale notice. The insurance firm has requested the trustee to enforce the trust, it states.

Four areas of land will be sold in the auction, including the 170-acre feedlot in South Randall County. A 2-acre tract in Armstrong County will be sold as well as a 1.4 acre tract in Happy and a 2 acre tract in Swisher County.

The Happy Wheat Growers, an organization since the 1930s, has been plagued with problems since last April, when several area banks called in outstanding notes and forced the Growers to cease operations at the 25,000-head capacity feed yard.

All cattle were removed from the yard, and the feedlot has not resumed operations.

Since that time, too, the wheat growers have been either defendants or plaintiffs in a number of civil suits seeking well over \$2 million in damages and alleging among other things fraud.

Several creditors of the growers have sought involuntary bankruptcy for the group.

The FBI has conducted an investigation into the failure of the feedyard and Randall County Dist. Atty. George Dowlen has also said his office is investigating the situation.

Bufs To Play Idaho

The Buffaloes of WTSU will seek to arrest the Idaho Vandals at 1:30 p.m. (CDT) in Idaho

Stadium before an expected crowd of 18,000. The game will be the first home game for the Idaho

team. Idaho won its first game of the year last week when they downed

the Idaho State team 28-9. The Vandals are 1-3 after losses to Air Force (37-0), Washington State (17-10) and Villanova (15-7).

Idaho defeated the Bufs last year in their first meeting 26-0. The Buffs hope to overcome last year's loss and win big as they have for the past two weeks.

Going into the game, WT players should be physically ready. Cornerback Rick Mordecai and halfback Eddie Richardson both suffered mild concussions and middle linebacker Bruce Davis had a pulled muscle during the game last week. All three are expected to be ready for the Vandals.

John Jacobi, offensive tackle, could be back in action after going out with a severe ankle sprain against New Mexico State. Free safety Mike Lozano, who pulled a hamstring in that same game, is still doubtful.

WT has not allowed any points in the last seven quarters of play. The Buffs shut out Southern Mississippi last week for only the second shut out by a Mayfield coached WT team.

If nothing else, WT's scout team should be able to run the Houston veer offense well. For the third straight week, the Buffs

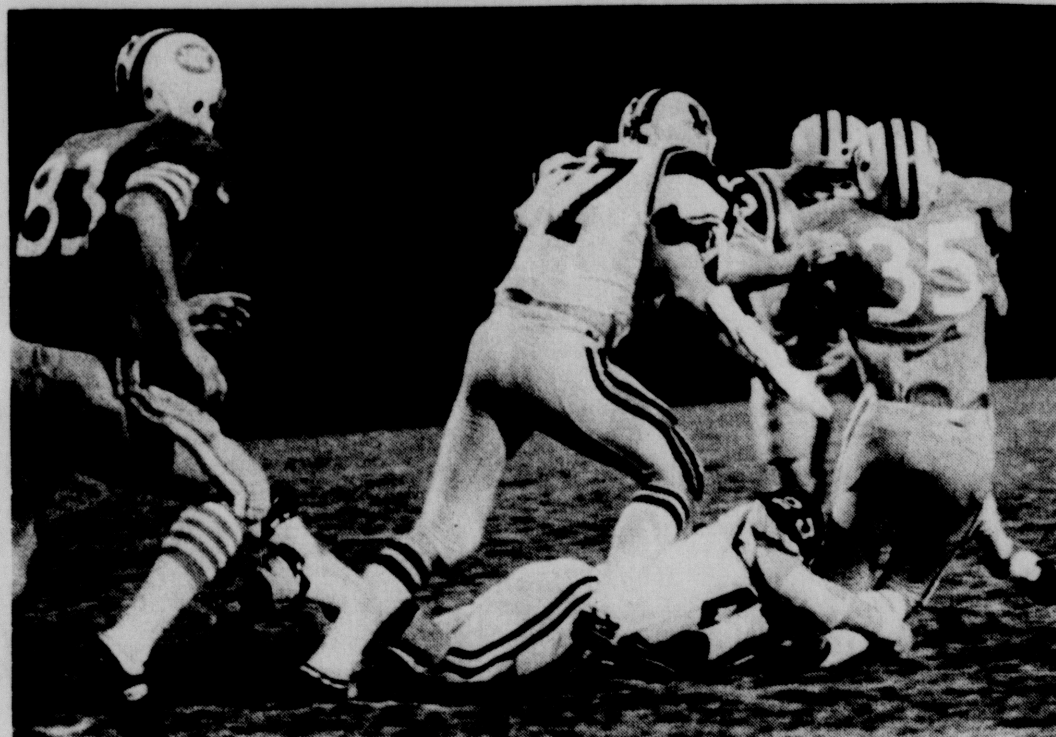

will be facing the popular offense, hopefully with the same results defensively. Wichita State and Southern Mississippi use the Veer attack. The Buffs allowed an average of 115.5 rushing yards and 97.5 passing yards against the Veer.

Idaho's Tartan carpet will give the Buffs their first look at artificial turf this year.

WT assistant coach Earl Wood watched Idaho's 28-9 win over Idaho State and he came away impressed with the Vandal offense. "They probably run the Houston Veer, executing all the options off of it, better than anyone we've played to date. Their quarterback, Dave Comstock, will be the best we've faced and he has some above-average running backs. Plus Idaho has an excellent receiver in Collie Mack, a 9.3 sprinter."

WT's upset over USM last week was not the only surprise in MVC play. Fresno State, winless in previous games, upset New Mexico State in a non-conference game. Drake tied North Texas State and Louisville won over Wichita State.

The Buffs return to MVC play next week as they face the Tulsa Golden Hurricane in TU's Skelly Stadium.

Eddie Richardson, running back for the WT Buffaloes, pushes forward for needed yardage in the game against the University

of Southern Mississippi. The Buffs won the game in the driving rain 31-0.

Al Stewart, chief of police in Canyon, is ready for the Canyon bicycle races to be held Saturday. The races will begin at 1:30 p.m. on the courthouse square. The races are spon-

sored jointly by the Canyon police department and the Canyon Chamber of Commerce.

Darden Named MVC Offensive Player Of Week

West Texas State University's Buffaloes go from the wet to the

cold Saturday in search of their third straight college football win Saturday.

Moscow, Idaho, is the site for the intersectional clash between Coach Gene Mayfield's Maroon and the University of Idaho Vandals, and while the cold may be unpleasant the Buffs hope this dose of adverse weather will have the same result as the last.

Last Saturday in Kimbrough Stadium, a driving rain storm couldn't deter the Buffs in their 31-0 upset win over Southern Mississippi, a triumph that Mayfield called in a post-game interview one of the best since he returned as head coach at his alma mater.

Fullback Johnny Darden powered the Buffalo attack with 101 rushing yards and two touchdowns, stats good enough to earn for the Borger junior the accolade as the MVC's offensive player of the week.

"Johnny graded 92 percent," Mayfield told a Monday morning press conference. "That doesn't mean much unless you know how we grade, I guess."

"However, when you consider the fact that he had 19 opportunities to block and he got his man 17 times . . . it's darn near impossible, but he did it."

Center Alton Cramford, working against USM's ace nose guard Randy Latta, helped with an outstanding blocking night, and guard Bob Brown earned the

WT staff praise as co-offensive player of the week with Darden.

Tackle Floyd Jones was the defensive star against USM, getting in on 10 tackles and intercepting a pass.

WT won't get any time to rest on its laurels, however. Idaho will provide the opposition of a team just off its first win and hungry for more.

The Vandals ripped downstate rival Idaho State 28-9 last week, their first win after close losses to Washington State and Villanova.

Quarterback Dave Comstock leads the Idaho Veer-T option attack, and Buff scout Earl Wood says Comstock will be "the best at running the option of anyone we've faced this year."

J.C. Chadband and Marshall Brantley are a pair of top running backs, and when Comstock throws he has good receivers in flanker Collie Mack and tight end Steve Duncanson.

The Idaho game is the first of three straight road encounters for the Buffs. Next week, Mayfield's men return to MVC action at Tulsa, and then travel to Utah State before the annual Homecoming battle Nov. 2 against Lamar in Kimbrough Stadium.

Had a party? Or giving one? Tell The Canyon News about it. Telephone 655-7121, or stop by the News office on the south side of the square.

Canyon Boxing Club Wins Four

The Canyon Boxing Club traveled to Tulsa Saturday night for a two club boxing match.

Coach Troy Mitchell stated that with exceptions of Randy and Johnny Johnson and Joe Doss, this was the first scheduled fight for members of the club. Mitchell stated that the team did remarkably well.

Presently there are 25 members of the Canyon Club. The team is working out at 6:30 p.m. Monday, Tuesday and Thursday until football season ends. The club gym is located at 2111 First Avenue. It is donated by Ronald Cleavinger.

At Tulsa, Corky Elvarado of Tulia won over Paul Crawford of Canyon in a decision match in the 45 pound category.

In the 50 pound division, Harvey Rodriguez of Tulia won over Pete Ruiz of Canyon.

Ernie Peterson of Canyon won over Joe Martinez of Tulia in the 73 pound division.

Joe Doss of Canyon won the 80 pound division.

Rob Smith of Canyon was TKOed in the second round in the 128 pound division.

Gilbert Ruiz lost in the 115 pound division, Kurt Peterson lost in the 107 pound division.

Johnny Johnson won in the 90 pound division, Danny Alman was TKOed in the first round in the 120 pound division and Randy Johnson defeated Paul Peterson, both of Canyon, in the 70 pound division.

The Canyon Boxing Club is scheduled for fights in Canyon, Oct. 19, at 8 p.m. The fights will be held in the J. O. Parker Memorial Arena located at 106 Seventeenth Street. Teams entered in the fights will be from Levelland, Plainview, Tulia and Muleshoe. Approximately 30 fights are scheduled for the night.

Johnson Has Bruised Knee

Contrary to earlier forecasts, Robena Johnson has only a badly bruised knee. She will be able to begin workouts once again in a few weeks.

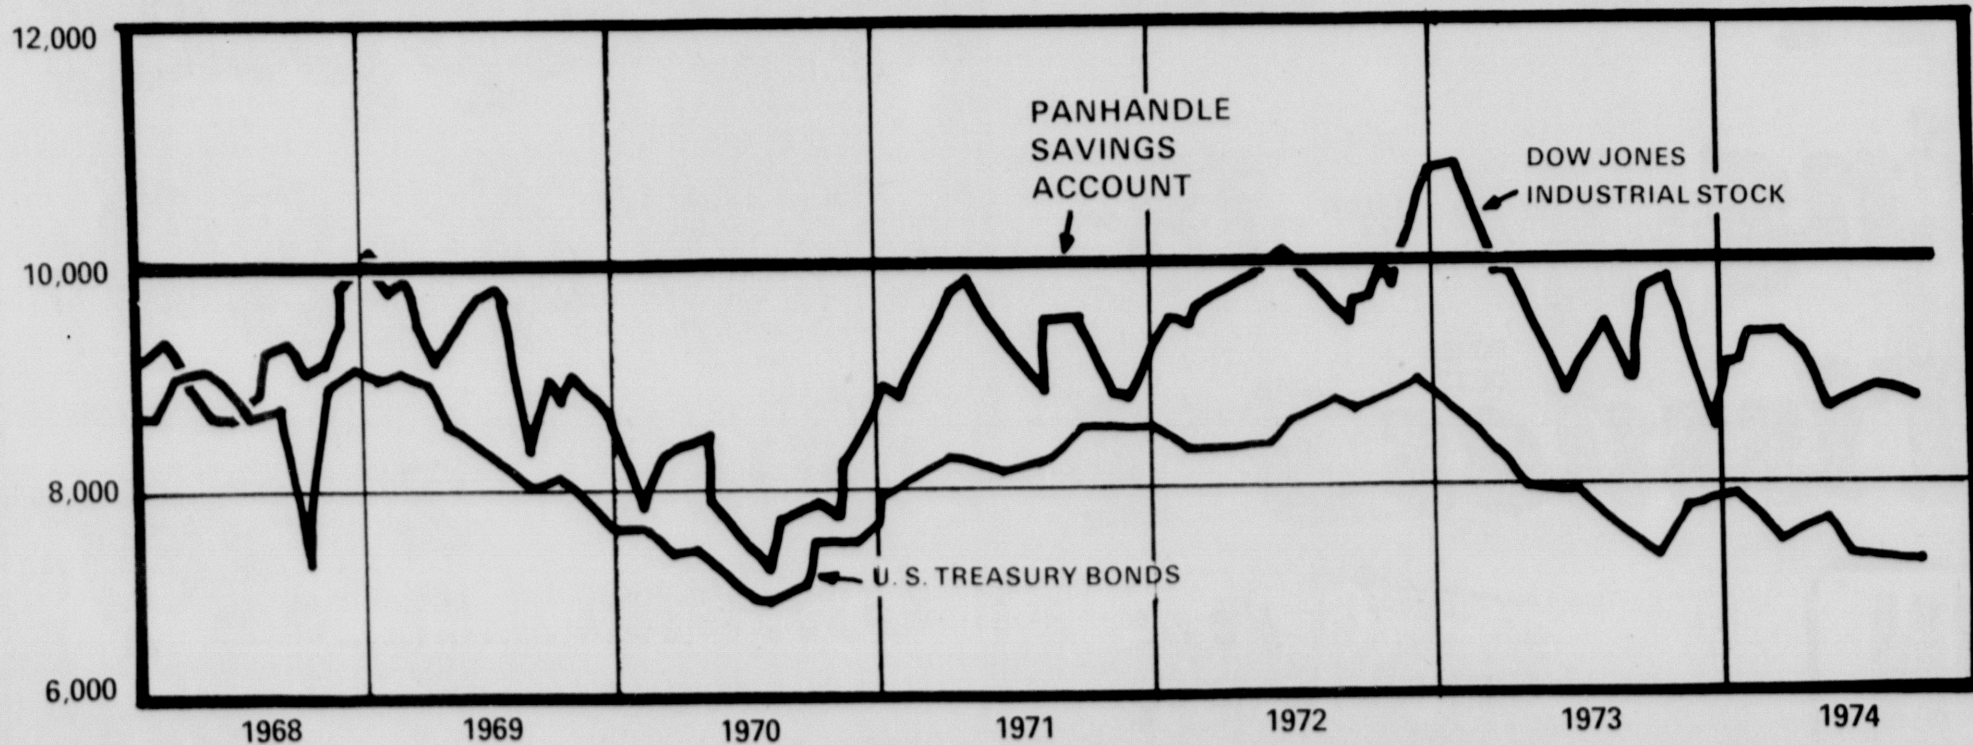

Early forecasts were that Miss Johnson had torn cartilage in her knee which would require surgery.

Class Has Social

A social and singsong for the TEL Class of Calvary Baptist Church was held recently at the home of Zella Campbell, 1607 8th Avenue.

Those participating were Mesdames Delta Bennett, Annie Collier, Jill Davis, Norene King, Beulah Messenger, Lena Seay, Delia Taylor, Easter Thompson and Bea Wilcox.

A SAVINGS ACCOUNT . . . THE BEST INFLATION FIGHTER

What's the best hedge against inflation . . . long term government bonds, common stock, or a savings account at Panhandle Savings and Loan? The last seven years show very few months an investor could have pulled his original investment in stocks and bonds without suffering a loss in principal. But . . . he could have withdrawn every penny of his original investment in a Panhandle Savings account plus the accrued highest dividend allowed by law. Your savings are insured safe, immediately available, and dividends are compounded daily, paid quarterly at all four Panhandle Savings and Loan offices.

CHS Golf Team In Pre-Season Tournaments

The Canyon High School golf team placed 10th in a 15 team 4-A school tournament held at Hereford last weekend.

A 298 by the Midland Lee number one team won the tourney.

Golfers for Canyon were Bill Turner with a 77, Bryan Garner with a 79, Phil Davis with an 83 and Mitch Shaddix with a 92.

The 14 teams which Canyon competed against have a regular golf season and also a golf coach. B. B. Kendrick is coach for the golf team along with his other coaching chores.

Only one player was lost last year from the second place district and sixth place regional team. Brad Garner was lost due to graduation.

The team will play Oct. 18 at Amarillo and again Nov. 9 in Borger. The team will have eight tournaments when regular season starts.

Kendrick stated that they will try to have tournaments early during the year. The team has no formal workout but players do work on their own.

He said that the team will start the first of March with positions on the team opened to everyone who wants a chance to make the team. Last year 25 high school and 20 junior high students were out for golf.

Boxing Match Set To Aid Forehand

Boxing matches are scheduled for October 25-26 in Canyon to benefit Kelly Forehand who was injured during the Canyon-Caprock football game September 12.

The event is sponsored by the Canyon Eagles Football teams, the Canyon Eagle Booster Club and the Canyon Boxing Club.

The gate proceeds are to be divided with half going to the Kelly Forehand Fund and half going to the Canyon Boxing Club. All money made from concessions and all money from the program sales will go to the Forehand Fund.

Members of the club stated that the First National Bank of Amarillo printed 10,000 tickets for the event. Tickets will be on sale for \$2 for adults and \$1 for students.

David Hiders

Two Win At Show

Rod Hales and David Hiders won first and second place ribbons at the FFA area show in Lubbock.

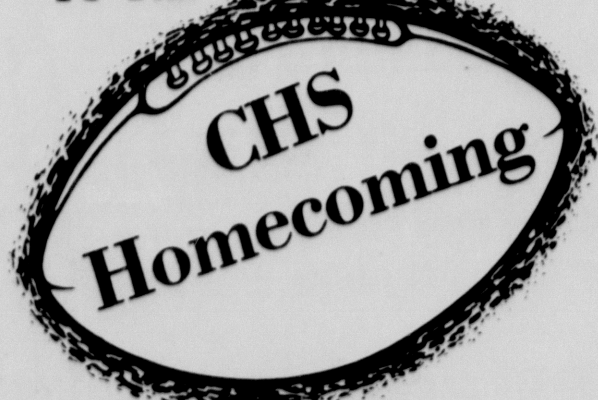

Hales won first in junior late senior yearling and second in the open late senior yearling. He also won first in junior and open in the late April yearling division.

Hiders won fourth in the junior heifer calf division and fifth in the open heifer calf division. He was first in junior and open yearling, first in senior and open yearling, and second in junior and open two year old cow. He showed the two year old reserve grand champion cow and the two year old best udder cow.

Samuel Nunez — 1973 National Junior College singles champion.

WT Tennis Team In Doubles Invitational

The WTSU tennis team will participate along with six other universities in the Oklahoma State University Doubles Invitational in Stillwater, Oklahoma, October 11-12.

Teams involved in the invitational include Colorado University, Kansas University, Oral Roberts University, Oklahoma City University, Tulsa University, Oklahoma State University and WTSU.

Teams entered from WTSU are Steve Johnson and Samuel Nunez, Brett Hall and Jay Goss, Wayne Marsh and Todd Reed, and Dana Caledonia and Bobby Kleinecke.

Johnson and Nunez should be the pre-meet favorites according to David Kent, tennis coach at WTSU. The team beat the number one SMU team in the Midland tournament. They also beat David Bohinsted and Joe Edles (6-2, 6-3) in the Midland tourney. The Nunez-Johnson team defeated the number one Texas team.

Homecoming Set At Canyon High

Homecoming activities began Tuesday at Canyon High School. Activities will end following the Eagle-Palo Duro Dons football game Friday night at Frank Kimbrough Memorial Stadium at 7:30 p.m.

The homecoming queen, elected by the students at CHS, will be crowned during a pregame show Friday. The queen will be announced during an assembly at CHS Friday at 2:30 p.m.

Also during the week, students will dress according to the particular day. American Graffiti, dress up day and the Miss Irresistible contest will highlight the week.

A bonfire and pep rally will be held tonight behind the high school on Eleventh Street at 7:30 p.m.

Three Canyon FFA Members Go To National Convention

Members Go To

National Convention

Three members of the Canyon FFA chapter will go to the National FFA convention in Kansas this month.

Those from the Canyon chapter going will be David Hiders, Allan Donnell and Gary Reynolds. Donnell and Reynolds will accept the Gold Emblem Award for the Canyon FFA Chapter. The Canyon chapter is in the top four in the state of Texas and is number one in the area.

Hiders will receive the Santa Fe Award.

Eagles Looking For Second Win

The Canyon Eagles are looking, or rather longing, for their second win of the season as they face the number one rated 3-A Palo Duro Dons.

The Eagles will meet face to face with the Dons Friday night at Frank Kimbrough Memorial Stadium at 7:30 p.m. This will be the homecoming game for the local team.

Ron Mills, head football coach at Canyon High School, stated that Palo Duro is three touchdowns better than the best New Mexico team. He said that the Dons have the best offense of any Amarillo team. He feels that Palo Duro is better offensively than Pampa and that their defense is similar.

Palo Duro has four players picked as all-state prospects in pre-season polls. Mike Fort, senior guard, David Macon, senior guard, David Beezley, senior halfback, and Greg Sellmyer, senior fullback.

Last year, the Dons were capable of only a 3-6-1 season record. They lacked experience. This year Palo Duro will have good experience with 20 returning lettermen. Six offensive and seven defensive starters will be returning. The Dons have adequate size for a 4-A school with the added extra of good speed.

Coach Mills feels that one of the reasons Canyon made a poor showing against the Pampa Harvesters is the mental attitude of the team. Mills stated that his team needs to fight back and be mentally ready this week.

Mills stated that his team would have a chance if they were ready for the game.

Mills said that after looking at the film of last week's game, Jimmy Ward, Bob Lee and Steve McCormick were standouts on defense. He stated that David Wetzel and Garre LaGrone looked good on offense. LaGrone was knocked out of the game in

the second quarter when he was dazed on a tackle.

Going into the game this week, most of the Eagles will be in good physical condition. Larry Pate has a sprained ankle and will be limited during the game. Rusty Holladay is getting back to his usual form following a short lay off due to an ankle injury.

Ron Mills, son of the coach, will be in action, even though he required eight stitches above his eye due to the cletes of a Pampa halfback.

Mills said that Terry Hayhurst will be ready to play this week. Hayhurst has worked out only five days this year due to sickness or injury. Mark Jackson has a hurt ankle but should be ready to play.

Mills thinks that LaGrone threw the ball well during the first quarter.

Four sophomores will be on defense for the Eagles this week. Elliot Berry impressed the Canyon coaches with his hitting

during the Pampa game. Ronny Howe will also start for the Eagles. Howe, a sophomore, is ready to start on a varsity foot-

ball team. Drew Hetzler and Joe Laquette will play for the varsity as they have since the start of the season.

Tiony Sets WT Cross Country Record

Joseph Tiony, in his first year with the WTSU track program, set a course and school record in the five mile cross country meet held in Colorado last weekend.

Tiony ran the five mile course in 24:17. The old school record, set in 1972 by Jim Hogan, was 25:47. The old course record was 24:19.

WT placed third in the meet. Colorado was first with 29 points, Arizona second with 39 points and WT third with 66 points.

Others from WT finishing the course were Jay Jones, fifteenth with a 28:31 time, Jim Burgess, sixteenth with a 29:09 time, Bill

Montgomery seventeenth with a 29:34 time and David Standifer eighteenth with a 31:19 time.

The WT team will be entered in the U.S. Cross Country meet this weekend. Teams from the University of Texas at El Paso and Eastern New Mexico State will be entered also.

Senior Citizens Tonight

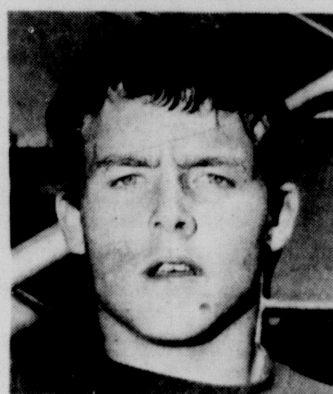

Canyon's Senior Citizens will meet tonight, Thursday, at 7 p.m. at Canyon Community Center for fellowship, games and refreshments. All interested senior citizens may join the group's activities.

Go Eagles!!!

Happy News

Happy Rainbow Girls' Hamburger Supper Set For Friday Night

MARY NEAL HENRY HAMBURGER SUPPER, annual event sponsored by Happy Rainbow Girls, will be held on Friday evening beginning at 5:30 at the Happy School Cafeteria. Hamburgers, French fries and drinks will be served for \$2.50. Homemade pies will sell for 35 cents a slice. Everyone is encouraged to eat at the Happy Rainbow Assembly on Friday evening either before or after the football game with Sudan.

Rahlf's will be honored on Sunday afternoon, October 13, from two to four o'clock in the afternoon at the Fellowship Hall of the First Baptist Church on the occasion of their 35th wedding anniversary. Their children ask that you come by and no gifts please. Happy Anniversary to the George Rahlf's.

XI KAPPA ZETA of Beta

Going somewhere? Or been? The Canyon News wants to know about it — and so do its readers.

Sigma Phi Sorority will present a Stretch and Sew Style Show on Sunday, Oct. 13, at 2:30 p.m. at the Rex Reeves School. Tickets are \$1 and can be purchased from Nell Sims or any other member or at the door. There will also be door prizes and refreshments. Judy Shipman and Jeanne Johnson will be among the models in the show.

A CLOUDY SKY provided a natural shade for the calf roping — the Wesley-Sims Memorial Roping — on Saturday afternoon. A cool shower settled the dust and lowered the temperature to a comfortable level just before time to begin.

Edd Workman of Mineral Wells roped and tied three calves in 35.2 seconds to win the average and the trophy saddle. This was Edd's first trip to the Wesley-Sims Memorial Calf Roping and he came to win. Edd helped Bowie Wesley with his roping and taught him how to turn "tuff breaks" into advantages instead of disadvantages. Bowie and Edd traveled together for a time. When Edd won that saddle, he presented it to Bowie's Dad, Woodrow Wesley, to ride for as long as he wanted to ride it. A great tribute to friendship and fine character.

Six places were paid in the average. Jim Reimer won second with 37.7 seconds; Burl Mardis won third with 38.2; Jarrell Russell won fourth with 42.1; Bill Griffing won fifth with 44.1; and Grover Thompson won sixth with 44.3. Paul Howard and Edd Workman tied for the fastest time of the day with 10.3 seconds in the First Go-Round.

Just before the roping ended on Saturday afternoon, the flood came.

RAIN MEASUREMENTS IN Happy and southwest of Happy ranged from two to six inches. The rain fell hard and fast and contained some hail stones.

Water ran through the streets of Happy and even over some rural area roads. Lakes filled. Crops were lost.

And the Steer roping for Sunday afternoon was postponed until Friday afternoon, Oct. 11 at 2 p.m. Most of the ropers will return at that time, the trophy saddle will be presented to the winner and the drawings for the tickets to the Rodeo National Finals in December will be drawn and given away.

Happy Rodeo Association did serve the barbecue dinner on Sunday noon in the downtown building that has served the community now as "for whatever." A good crowd attended and folks seemed to enjoy just sitting and visiting. The mud outside was too deep to do little else.

PUNT, PASS AND Kick sponsored by Wallace Motor Company and Happy Jaycees was held on Saturday morning in Happy. Roger Wilson was the Jaycee chairman of the event this year. Thirty-five participants proved to be record entries for the contest.

Vanessa Malone was the first

girl to enter the competition. She didn't win, but she didn't finish last either.

Andrew Cumby won the eight year old division; Kelly Foster won nine year olds; Montie Johnson won ten year olds; Vance Morrison won twelve year old competition and Doug Sims won the thirteen year old contest. These boys will represent Happy at Regional playoffs in Amarillo.

LINDA RAILSBACK, DAUGHTER of Joyce and Dick Railsback, was installed Worthy Advisor of Happy Rainbow Assembly on Saturday afternoon. Her sister, Sandy Railsback, was Installing Officer.

Others serving during installations were chaplain, Jackie Crabtree; recorder, Barbara Andrews; marshal, Brenda Railsback (another sister); and musician, Royce Vernon. Becky McCarley, Debbie McCarley, and Pam Tatum sat at the guest book.

Linda's theme, is "Courage," her symbol, the praying hands; her colors, burgundy and pink; her flowers, pink carnations and red roses; and her song, "My Tribute." Her motto was "God grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference." Her scripture Joshua 1:9: "Be strong and have courage, be not afraid neither be dismayed for the Lord will be with you wherever you go."

Projects for this term will be the hamburger supper and Christmas candy sale for the financial project. Boxes will be taken to the shut-ins at Thanksgiving time. The assembly will enjoy a Christmas social.

Other officers installed during the afternoon were: Worthy Associate Advisor, Shawn Walters; Charity, Diane Johnson; Hope, Bonnie Briscoe; Faith, Becky Stubblefield; Chaplain, Nancy Woods; Drill Leader, Lisa Foster; Love, Lisa Johnson; Religion, Debbie Parker; Nature, Connie Hand; Immortality, Christy McCaslin; Fidelity, Brenda Parker; Patriotism, Pam Andrews; Service, Kim McCaslin; Confidential Observer, Janet Foster; Outer Observer, Susan Cope; Musician, Cathy Parker; and Choir Director, Marcus Vermeire and choir, Denise Cope, Rhonda Fellers, Knoxie Lebeau, Shirley Penn, Sandy Railsback, Mary Ann Sims, Becky Via, Nancy White, Paula Heil, and Shannon Heil and Ramona Weavers. Recorder, Jan Whitlow, and Treasurer, Beverly Dowd, were installed in January to serve for one year.

Happy Chapter 562, Order of the Eastern Star served refreshments of cake and punch.

SUNNYHILL HOME DEMONSTRATION Club met on Thursday morning of last week in the home of Joy Bryan. President Gwynn Tucek called the meeting to order. Roll call was answered with "Experiences I have had with flammable clothing." Joy Bryan, clothing leader, gave an informative program on flammable materials. She also reported having found several violations of the law now passed by inspecting sleepwear carried by local stores.

LaVenna Jackson gave the council report. The club voted to donate money to the Randall County Council's booth at the Canyon Halloween Carnival. Plans were made for Rural Homemakers Day on Oct. 17 and serving the Senior Citizens of Happy on Oct. 17.

Cake and coffee were served to Gwynn Tucek, Bertie Culp, Shirley Williams, Lou Dougherty, Jo Hand, Mary Neal Henry, LaVenna Jackson, Traverne Vermeire, and hostess Joy Bryan.

The club also planned a surprise shower and gifts and money tree for one of its members, but she was unable to attend. That was Hermion McNeill.

HAPPY ATHLETIC BOOSTER Club met on Tuesday evening in the school cafeteria. Support those Happy Cowboys!

DARRELL AND DIANE Matthews are the parents of a baby girl, born Oct. 5 at about eight in the evening. (How about that?) Stephanie Jean weighed seven pounds twelve ounces and was nineteen and a half inches long. Grandparents are Red and Frances Matthews and great granny is Oma Hayes. Darrell is with the Highway Patrol and stationed in Hereford.

THIS IS NATIONAL 4-H Week. The theme is 4-H Gets It All Together. Happy Community 4-H meets this Monday night at 7 p.m. at the Happy Jaycee Hall. Ken Cook, former county agent recently transferred to Lubbock County, will be honored with a "going away" party and covered dish supper Saturday evening at Tulia. Swisher County's loss is surely Lubbock County's gain.

A memorial has been started for Kent Morgan, Kress 4-H boy killed in the wreck last week. If permission can be obtained, a monument will be erected in the State Center at Brownwood. If this proves impossible, money will be donated to the building of the center in Kent's memory. Kent was a state winner this year and would have attended 4-H National Congress.

TEXAS COWBELLE EXECUTIVE Committee held a regular monthly meeting in

Tulia on Monday afternoon. From that meeting, Ruth Sims and I drove to Panhandle to attend the barbecue dinner honoring John White, Texas Commissioner of Agriculture. This was the regular meeting of Top O' Texas CowBelles. We were most pleased to be their guests. Mr. White made an excellent talk. It made sense as little does these days and his proposals were sound. Nellie White, whom we made an Honorary Texas CowBelle in San Antonio in April, did not accompany John White. We missed her. Mrs. Richard Brown of Wheeler was elected president of the Top O' Texas CowBelles at the business meeting following the dinner.

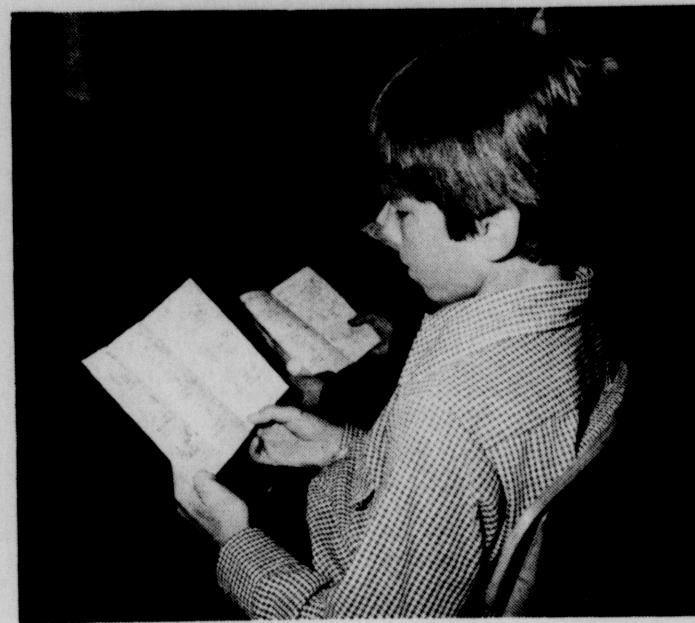

Othella McGehee was chairman of a Beef Arama in Claude on Tuesday afternoon. Those on the program included State President, Mrs. Tom Henry; State Publicity Chairman, Mrs. John Butler, and First Vice President of

Happy CowBelles, Mrs. Lonnie Todd. Dr. Richard McDonald of Texas Cattle Feeders spoke to the group on the new grading proposals. The Beef Arama was well attended. It included the homemaking class of Claude High School.

NOVALENE AND JOHN Toles were in Denver, Colo. Saturday for the first National Beef Cook-Off. Novalene was the one representative from Texas in the competition. She prepared an original recipe of beef, a finger type food served on ritz crackers. First place winner was a gentleman cook who prepared a roast of beef; second was another gentleman cook who prepared a "hero sandwich." Third place went to a CowBelle from Alabama.

Texas CowBelles were very pleased to have Novalene Toles represent them at the First National Beef Cook Off.

COWBELLES WILL BE

This student at Rex Reeves Elementary School in Canyon examines a pamphlet on bicycle safety. Bicycle safety was the subject of special programs conducted by Sgt. Steve Wisniewski of the Canyon police department. The programs were sponsored by the PTA. The final program will be today at 9 a.m.

Palisades Palaver Visit Hurricane Area

By MILDRED TURNER WE WERE OVER on Bellaire the other day and Belva showed me where she and a neighbor, Wanda Crass, were caught in a flash flood during the hurricane, Cecelia.

The water was suddenly so high the car doors could not be opened. They were on their way to see the doctor; very scared, very pregnant. It took some squirming to crawl out the window and some men nearby came to their rescue.

Belva told the story as a sort of joke but confided they were really horrified.

The car still smells and J.T. had to put a new carburetor into it. He keeps a record of the hurricanes on a regular TRW hurricane map as the weather man gives the longitude and latitude. He is a graph engineer for Santa Fe.

We enjoyed the Shriners' Circus Thursday night, Sunday went to see "What's Up Doc?" and out to eat fish. While here, I have met two very nice couples who are J.T.'s cousins Joe and Ruth Barlow, and their daughter, Carolyn, who is married to Tommy Taylor.

I love the beautiful landscape around here but sure do miss our birds. There are only a few birds in this area. Belva and I have taken up bird watching; especially looking for a huge bird with a large bundle in his beak!

P.S. Hope to see you soon.

M.T.

presented on the Channel 4 Farm and Home Show on Saturday of this week to advertise their State Convention on Oct. 20 and 21. This will be held at the Ramada-Camelot Inn in Amarillo.

The Board of Directors and their husbands will be guests at dinner on Sunday evening at the Hilton Inn. Farr Better Feeds and Oswald Division will be sponsoring the dinner. A board of directors meeting will follow, also in the Hilton Inn.

Registration will be Sunday afternoon and again on Monday morning at 8 a.m. The general membership meeting will begin at 9 a.m. Mrs. Don Ater of Ferriway, La., will give the opening address. LaVonne is the president-elect of the American National CowBelles. All business, including the election of state officers for 1975, will be concluded by 12:30 p.m. The awards luncheon will be held in the Great Hall of the Camelot Inn. Dr. Gary Smith of Texas A&M will be the speaker. He will be followed by the awards presentations for the year and an installation ceremony of the 1975 state officers.

Monday afternoon beginning at three o'clock, two workshops will be held. One will be Public Relations, co-chaired by Mrs. Robert Allen and Mrs. John Butler, state public relations chairman and state publicity chairman respectively. Mrs. Marie Tyler of Bismarck, N.D. will be the featured speaker. Bonita Bohnsack, formerly with the National Beef Council and Meat Board and now of Oklahoma, will also speak. Bill Coleman of Channel 4 in Amarillo will conclude the program. He will also conduct a question and answer period.

Mrs. John Frantz, state Beef Education Chairman, will chair the Beef Education workshop which will feature, Mrs. Earl Plank of Clovis, N.M. Mrs. Plank is the National Beef Education Chairman. Spiced tea, coffee, and beef dip, beef canapes, beef cookies and beef brownies will be served in both workshops. Five hundred are expected to attend the convention. Make your plans now to be there!

Watch Those Goblin Treats

By DORIS McKEE
HALLOWEEN COMES AT the end of this month. It is a time when the ghost and goblins come out and have their day.

Trick and treating is a tradition that is carried on year after year, and the safety of our children and treaters is a very big issue.

There are so many dangers at arise at this time, so let's take all precautions to insure the safety of each and every child.

The Ladies Auxiliary is working on preparations for the Halloween carnival. Our plans include a book house and three different games. If you have any suggestions, we would like to hear them. This carnival will be for all the kids in and around the park. Of course all parents are invited also. So plan to come be with us.

The carnival will open at 7:30 a.m. We have planned a parade for the kids in the park. It will be at 6:00 p.m. on October 31st.

All kids should come to the recreation building in their costumes. The parade will go around the park with the Fire Truck leading it. There will be a 1st, 2nd, and 3rd prize given for the best costumes. So Make'm Good. After the parade the kids will trick and treat until the carnival opens at 7:30 p.m.

GUESS WHAT? THERE are some of ladies who could possibly work the Fire Truck now. We had our first lesson on what to do to pump water last week. We truly hope it will never be necessary to use this new found information.

BY THE WAY, it looks like the weather will be changing off and on now. That is cold and warm, sunny and rainy or snow. Now is the time to be sure that you have your heat tapes working properly. There isn't any reason to have your pipes freeze up if you tape them now. Also check your heating units and make sure they are working properly.

THE BUSYBODY LADIES met on Tuesday night. It was a social get together. Any of you ladies who want to get out one night a week come meet with us at 7:30 p.m. on Tuesdays, at the

recreation building.

I SEE A few of you took advantage of Friday being a holiday for the kids. Most of us just treated it as another day.

It seems Mrs. Thomas Coffelt and her daughters, Connie and Janet went to Snyder, Oklahoma to visit Mrs. Edna Coffelt. All of them had a real nice visit.

Albert and Katie Rinne and their daughters, Davia and Kathie went to Slaton, Texas this weekend. Katie's brother was supposed to be home on leave. He has just finished his basic training. Katie's sister from Austin was there also.

SCOTT POTTER WAS in the hospital for a couple of days this past week. He was in for a check-up and a few necessary tests.

SHARON JONES ENTERED the High Plains Baptist Hospital on Wednesday, Oct. 9th to have some tests run. They are still trying to find what's causing her back problems. Hopefully they will find the problem and get it corrected right away. We'll be pulling for you Sharon.

DIANA HOFFMAN'S DAD is doing much better now. It seems that the brace and the exercises are helping his back quite a bit. Also her Grandfather, who had been in the hospital for 80 something days, has finally got to go home. Hope he keeps improving.

ON THE FOOTBALL report for this week: The fourth grade team that Mickey Bays plays on had a game on Thursday. They played South Georgia and beat them 6 to 0. That's the way to go you guys.

The fifth grade team, Tod McKee and Paul Qualls play on, played Eastridge in a scrimmage game on Thursday and you guessed it, we finally won a game. The score was 21 to 14.

You know it's a real shame that

Trick-or-Treat For UNICEF Here

Trick-or-treaters who would like to collect their goodies for the UNICEF (United Nations Children's Fund) may do so by contacting the Heritage Woman's Club which is again sponsoring the Canyon participation in the project.

The Heritage Woman's Club will sponsor the participants and give them supervised transportation for collecting the funds.

Lynda Looney, 655-4576, and Diane Colgan, 655-7324, are heading the project which will involve children of the HWC members and other youths who would like to participate.

The United Nations Children's Fund provides needed financing on a voluntary basis for children of undeveloped countries to be used in education, children's health and nutrition, and for relief and rehabilitation among other projects.

this didn't happen on last Sunday when it would have counted. Oh well, maybe this will be a turning place for us. We were supposed to have a game Sunday, but it was a mite wet and cold. Will have a make up game on it.

The fifth and sixth combined team that Roger Robertson, Shannon Jones and Michael Coffelt play on played Southlawn on Thursday. The final score was 21 to 0, Southlawn's favor. Don't give up you guys, things could get better anytime.

I DECIDED IT was time to make an effort, so I went Christmas shopping on Saturday. I put several gift items on lay-a-way and it really feels good. I think I'll go again in a few days and see if I can't get it all done before the crowds and rush starts.

You do realize that there's only 60 days till Christmas.

HOME ON WHEELS My home has wheels. It rolls or it stands. It's equipped with all our needs. And fits right in with our plans.

The space to set it up could be large or small. So if you'd like a home of convenience. Get you a home on wheels, this fall.

GUESS IT'S TIME to say so long for this week. Keep reading. Thought for this week: "Make friends, there's already enough enemies in the world." See ya.

Doris McKee — 355-4133

Progressive Dinner For BSP

Alpha Theta Delta chapter of Beta Sigma Phi Sorority held a progressive dinner Friday evening for members, husbands and chapter rushees.

The dinner included a snack session at the Larry Daniel home, 2628 13th Avenue; a main course of casseroles at the Episcopal Center; and the desserts at the Henry Lewis home, 707 Taylor Lane.

Couples participating were Mr. and Mrs. Denny Bethel, Mr. and Mrs. Gary Clark, Mr. and Mrs.

Birthdays and anniversaries listed for October 10-12 by the Canyon High School Band Calendar include the following Canyon folks:

October 10 — Vance Lewis, Sandra Ann Johnson, Ross Russell, James Stipe, Mitzi Williams, Jubel Gillis and Dustin Davis, birthdays; Mr. and Mrs. Frank Rapstine, Mr. and Mrs. Frank Chambers and Mr. and Mrs. Ed Cranmer, anniversaries.

October 11 — Emily Baker, Ruth Roberts, Susan Padgett.

USC Meeting Friday Is Final For 'Tour'

University Study Club will meet at 1:15 p.m. at the Girl Scout House in Canyon Friday, October 11, for final planning and committee assignments for the week end 'Harvest Home Tour.'

The home tour will include five city homes where interested community residents may visit Sunday afternoon, October 13, from 2-6 p.m. for the ticket price of \$1. Tickets are on sale by club members sponsoring the tour and will also be available at each home Sunday afternoon.

Homes scheduled for the tour are the John Womack home at 2504 12th Avenue, the Bob Evans home at 1107 Brookhaven, the Charles Harter home at 1404 Creekmore, and the Hunsley Hills homes of the Bill Sternbergs at #8 Edgewood Lane, and the Lloyd Watkins home at #13 Southridge Drive.

BI-CENTENNIAL PLANS were discussed by a panel Tuesday afternoon at the Canyon Junior Forum meeting. Panel participants from left are Dr. Duane Guy, chairman of the committee, Jane Stephens, Claire Kuehn and Mary Alice Hines, who was moderator for the panel program.

BSP Sorority Chapter Meets

Xi Kappa Zeta chapter of Beta Sigma Phi sorority met recently at the home of Velta Hord with Shirley Stevens presenting the program on "how to be a real person."

Plans were discussed for the Stretch-n-Sew fashion show to be sponsored by the group Sunday, October 13, at the all-purpose room of Rex Reeves Elementary School. Open to the public, tickets are selling at \$1 per person. The style show will begin at 3 p.m.

Other points discussed by the club were a Halloween party set for October 26 at the home of Jeri Rozell and the next business meeting on October 15 at Juanita Johnson's home, 3002 4th

Larry Daniel, Mr. and Mrs. James Hill, Mr. and Mrs. Ray Grimes, Mr. and Mrs. Henry Lewis, Mr. and Mrs. Steve Hines, Mr. and Mrs. Terry Pittman, Mr. and Mrs. Hugh Simmons, Mr. and Mrs. Paul Stevenson, and guest couples including Mr. and Mrs. Ronnie Callaway, Mr. and Mrs. Ralph Loerwald, Mr. and Mrs. Robert Gruner and Mr. and Mrs. Eldon Koch.

Next chapter meeting will be October 14 at the Denny Bethel home.

Birthdays — Anniversaries

Cinday Eller, Danny Adams, Patricia Weaver, birthdays; and Mr. and Mrs. Bill Dirks, anniversary.

October 12 — Kelvin Summers, Joletta Adams, Brenda Wilhite, Joyce Weems, Brian Denny, Cindy Burke, and Marguerette Laquette, birthdays; Mr. and Mrs. George Eason, and Mr. and Mrs. B. J. Bullard, anniversaries.

Junior Forum Hears Bi-Centennial Panel

The October meeting of Canyon Junior Forum was held Tuesday, at the Episcopal Student Center. Mrs. Pat (Jane) Stephens, first vice president, submitted plans to the group for a fall membership drive.

Members were encouraged to take prospective members to their chosen service area to provide a more realistic picture of the work Canyon Junior Forum provides for the Canyon Public Schools. New members will be invited to the December social meeting, voted on in January, and presented in February.

Mrs. Steve (Mary Alice) Hines, program chairman, introduced the members of the Randall County-City of Canyon American Revolution Bicentennial Steering Committee. A panel dis-

cussion by several members of this committee followed. Included in the panel were Dr. Duane Guy, chairman of the committee, Jane Stephens, Claire Kuehn, and Mary Alice Hines as moderator.

MYF Group's Sale To Finance Trip

The Junior High Methodist Youth Fellowship will be holding a garage sale and bake sale to raise funds Saturday, October 12, beginning at 9 a.m.

Refreshments were served to 20 members and guests by Mrs. Larry Brandon and Mary Lou Farnum, hostesses at the meeting. The next meeting will be held Nov. 12th.

Parking lot of the church will be the site of the sale. Proceeds are to be used in financing a trip to Six Flags for the youth later this month.

Porcelain Exhibit Scheduled Sunday

Amaryllis Porcelain Art Club will hold an annual exhibit and tea Sunday, Oct. 13, from 1-5 p.m. in the Federated Club Rooms at 2001 Civic Circle, Amarillo.

Hand painted china, porcelain, bisque and glass will be on exhibit and various prizes of hand painted china will be given in a drawing.

The exhibit and tea are open to the public and no admission will be charged.

AAUW Branch Hears Report

Canyon Branch of the American Association of University Women met Saturday at the Green Room of the West Texas State University cafeteria with about 40 members present.

Dr. Ruth Lowes and Louise Orr presented a program of slides and discussed their summer trip to the International Federation of University Women held in Japan. In their report, they stressed that the goals of university women are shared throughout the world.

Mrs. Jesse Moses, chapter president, was in charge of the business meeting as further plans were discussed regarding a current stationery sale of original works of Margaret Fletcher.

Hostesses for the meeting were Eunice Haggard, Martha Kent, Jewell Hill and Ada V. Clark.

Next meeting will be a dessert November 9 at 2 p.m. in the home

Bluebonnet Art Topic

The bluebonnets of Texas will be shown for University Study Club members at their meeting Friday afternoon, October 11, at 1:15 p.m. in the Girl Scout House.

Dimple Crow, noted artist from Canyon, will have several of her paintings of bluebonnets on display and conduct a brief question-answer session at the meeting.

Also on display will be an exhibit of the Randall County Bi-Centennial Coins, according to Mrs. John Childs, club president.

Gene Howe News

By TROYCE MULHERIN GREETINGS:

NEXT MONDAY NIGHT is the big night for parents of students in the fourth through sixth grades. Back to school night, you know. Be there about 7:00 and be prepared for an interesting evening of visiting with the faculty.

While we are talking PTA, District Eight sponsored its annual fall seminar on Oct. 3 in Pampa. Ernestine Harp, Gwyn Sellers, Carolyn Farmer, Raydell Palmer, Darlene Campbell and yours truly represented Gene Howe School at this fine seminar.

With a theme of, "We Have a Commitment to our Children to Act," and more specifically to act

for sound educational goals, adequate public school finance, better PTA/school administrators/school board relationships and more parent involvement in schools, the seminar started in a serious vein and so continued. Senator Max Sherman spoke regarding legislative review of the Texas program of education and financing and participated in a forum on current legislation in Texas. Mr. Bob Clouch served as moderator of such forum.

Other panel members were Mrs. J.B. McCray, of Panhandle, who is a PTA regional state vice-president; Mr. Alvis Bentley, principal of Coronado Elementary School; and Mr. Dan Long, Pampa Superintendent of Public Schools.

After-lunch workshops concerned Pre-School; Special Education — Plan A, and Individualized Instruction. Our

Mrs. Ocoee Holt, now of PESO, conducted the workshop on Pre-School. Each of these workshops was very informative and quite interesting.

MY, OH, MY — found a good deal. Namely, the Smorgasboard by the Amarillo School Food Service Association. This was the Mulherin's first time around for attending this delicious repast. Bill and Ernestine Harp were old-hands on the goodie eating and were seen enjoying the excellent food and the excellent company of H.D. and Joyce Dyson, B.L. and Barbara Rudd, Guy Bufkin and Jean Owens.

If there were other Gene Howlanders there, we were too busy stuffing ourselves to see them. Yum. Yum.

GUY AND JEAN have set the date for their wedding. Same

Back To School Night Monday

will take place on Oct. 12th. The very best of wishes for this fine couple!

WEDDING BELLS WILL soon be ringing in Gene Howe land for another darling two-some! Diane Harp, daughter of Bill and Ernestine, and Charles Brown, have set the date for their wedding. December 21st will be the big day!

Diane is attending West Texas State University as a sophomore, and is working part-time for PESO on the West Texas campus. Charles is an auditor at Pioneer Natural Gas.

HAPPY BIRTHDAY WISHES to the lovely Dee Delaney, who became a year lover on the 6th!

HAPPY, TOO, TO Gemma Johnson, who became ten big years old on the 9th. Gemma cele-

brated with a fun trip to Wonder-land Park. Those riding the rides between rains were Michelle Arnett, Kim Langford, Stormy Moreland, and Tammie Wilcox — all from Gene Howe. Suzy Ovenstone and Kevin Blair from Amarillo joined in on the tummy-turning fun. Gemma is the daughter of Jim and Betty Johnson.

SHEILA HICKS, DAUGHTER of Johnny and Phyllis, found herself literally "in the swim of things" this past weekend. Sheila participated in the Swim-A-Thon sponsored by the Amarillo Aquatic Club. The purpose of the action was to raise funds for the various swimming teams at the club, and the youngsters did just that in a big way. Each participant was required to scrounge up his or her own sponsors who pledged so much money for each length the swimmer

swam. Swimmers were to either swim two hours or two hundred lengths — whichever came first. Sheila did just that in just that length of time. Two hundred lengths — what's two hundred lengths? Three miles — that's what two hundred lengths are. Talk about bushed! Sheila has been training at the club for about two and a half months, and enjoying every stroke (breathe) stroke. Good going, gal!

THERE ARE TWO more lovely ladies new at Gene Howe for you to meet this week. One is Lynn Alexander, who is serving as a teacher assistant in the kindergarten classes. Lynn earned her Associate Arts Certificate from Frank Phillips in 1966; her Bachelor of Arts from West Texas State in 1970; and her kindergarten certificate from the University of Texas in El Paso in 1973. Lynn has taught in the second grade in Amarillo; a year in kindergarten; and has taught science in the fourth, fifth and sixth grades before coming to Gene Howe.

Lynn and her husband, Allan, moved to Amarillo and the Gene Howe area just this past June from El Paso. Allan is a landman with El Paso Natural Gas Company. When she has some time to pursue personal interests, Lynn enjoys sewing, needlepoint and, believe it or not, hunting. She and Allan also enjoy water skiing at Meredith and snow skiing at Ruidoso.

Lynn is having a blast with those kindergarten students. Talk about loveable! She says it is one of her most rewarding experiences. Bet those youngsters feel the same about her, too. (Go by and look-se their newly decorated bulletin board).

OUR OTHER LOVELY is Mary Knight, who is an aide in the physical education department. Mary graduated from high school in Canyon, and has earned her Bachelor's and Master's in Elementary Education from West Texas State University. Five years ago, Mary did her student teaching at Gene Howe and was very impressed with our fine school. The Knights moved to the Gene Howe area in late June, and when the opportunity presented itself, Mary applied for and got the P.E. position.

Harold is Mary's husband. Harold teaches science and math in the eighth and ninth grade classes at Bushland, this being his first year there. He taught at Bonham Junior High in Amarillo for about ten years, before going with the Bushland district. The Knights have two handsome youngsters, both of whom attend Gene Howe. Jeff is a fifth grader, and Jay is in the second grade.

Mary and Harold enjoy playing bridge whenever the opportunity presents itself; and, Mary likes to sew.

Those of you who haven't done so, really should peek in on the P.E. classes sometime and say hello to this pretty lady with the ready smile. Besides that, she counts funny.

Seriously, now, we sincerely welcome Lynn and Mary to our school — their presence is our gain!

FLASH! FLASH! TOMORROW night, Friday the 11th, is a big night for the band students. 'Tis the night for the annual Spaghetti Supper sponsored by the Canyon Band Parents Association. Make plans to attend. Delicious! Serving times are from five to seven o'clock. The place is the cafeteria at the Canyon High School.

Spaghetti, salad, bread, milk and/or coffee are on the yummy menu. Desserts will be sold separately, and the proceeds from such sales will go into the Kelly Forehand Fund. Also, uncut cakes and pies will be available for you to buy and take home. This comes under the heading of a bake sale.

Do try to attend this supper. All the bands in all the schools will benefit from our help. Besides, that — the food is good. Treat yourself!

WHILE TALKING ABOUT the Band Parents Association — this group sure does (desperately, in other words) need a place in which to stage its annual haunted house. Call any officer, Mr. King, or Sherrie Cates, the association's president, if you know of any available building. Soon! Pronto! Please!

GREG MOORE is home from the hospital! He is recovering, though slowly, from his football injury suffered during the game at Boys Ranch. Greg will be seeing a home-bound teacher for a few months — just 'til he gets his strength back, and then back to school for this young man. Greg, all of us are thinking of you and praying for you and your family. Hang in there, you hear!

UNDERSTAND THAT BILL Dee Seth is back in school following his temporary and surprise illness. Bill Dee is ambulating with the help of a cane, but the time will come when he will only need that to fend off admirers. (Just jesting, Bill Dee, just jesting — uncle). Anyway, we are glad you are doing so well.

THANKS FOR THE use of the hall.

Troyce — 352-6053
